TWENTY PAGES TEN-CENTS

VOL. 66 CANYON, TEXAS THURSDAY, NOVEMBER 16, 1961 NO. 32

State Aquatic Lab To Be In Canyon

PHOTOGRAPHER Marvin Ellis captured this bit of nature's winter artistry with his camera Tuesday night in front of First Presbyterian Church.

Weather Grabs Canyon In Cold, Wintery Grip

Rain, sleet and snow this week hampered highway travel, damaged tree limbs and snarled communication and utility lines in the Canyon area.

Three traffic accidents here were blamed on the weather.

For the most part, there was optimism over what effect the weather would have on the grain sorghum crop, about 85 percent of which remains in the field.

One woman was injured early Tuesday morning when the car she was driving collided with the rear of an empty cattle truck.

The accident occurred 2.8 miles north of Canyon on US Highway 87.

Mrs. Shirley Brundage Borden, South El Monte, Cal., was treated for facial cuts at Neblett Hospital and then transferred to Amarillo Air Force Base Hospital.

Investigating officer, Patrolman Gilbert Ray, identified the operator of the truck as Herbert Gatlin of Amarillo. The truck was parked and Gatlin was scraping ice from the windshield at the time of impact, Ray said.

The other two accidents were inside the city limits and resulted in only minor damage.

Icing conditions prevailed here Tuesday as the temperature hovered around the 31-degree mark. Spitting rain turned to ice almost instantly on trees and utility wires.

Heavy damage to trees was noted at the homes of R.D. Oldham, 1301 Fourth; Houston Prichard, 1104 Fourth; Lonnie

(Continued on page 2)

Chamber Meeting Today

Approximately 100 persons are expected to attend a Chamber of Commerce kick off luncheon to begin a campaign designed to meet the Chamber's proposed $15,000 for the coming year.

The luncheon will be held in American Legion Hall at noon.

Highlighting the program will be a talk by Chamber President Joe Gidden. He will outline the future program of the Chamber.

Canyon Pastor Is Returned To Board

Dr. Strauss Atkinson has been re-elected to the board of trustees of Wayland Baptist College at Plainview.

Dr. Atkinson is pastor of Canyon First Baptist Church. He was named to the post during the concluding session of the Baptist General Convention of Texas at Austin.

Wayland is one of nine educational institutions owned by the Baptist General Convention of Texas.

Dr. Atkinson has served on the Wayland board for three terms. He has been pastor of the Canyon church for the past 10 years.

DR. STRAUSS ATKINSON

Dr. Atkinson is from Littlefield. He is a graduate of Hardin-Simmons University and has been prominent in the work of his denomination for the past several years.

He served on the executive board of the General Convention of Texas for 12 years. He served three years on the convention's state training union board and also served on the Baptist student advisory committee.

He is now serving on the public relations committee of the General Convention.

Dr. Atkinson was awarded an honorary doctors degree from Wayland.

Stock Show Meet Tonight

Randall County Junior Livestock Show for 1961 gets blueprints ready for January show tonight (Thursday) at 7:30 in the new livestock building.

President J. O. Parker said election of officers and directors to handle the business for the show would be the most important business.

The show and sale to be held in January is destined to be the biggest and best ever according to Parker. He said with the new building and the large amount of boys and girls feeding lambs, steers, pigs, training horses, dairy cattle and beef cattle breeding heifers this show will have all the ingredients for the biggest one in history.

An invitation is extended to all members, officers, directors, contributors and interested parents and businessmen to attend tonight's meeting.

Special Train Slated For WT Grid Bout

West Texas State Ex-Students Association is sponsoring a special Santa Fe train from Amarillo to Lubbock, Dec. 2, for the Buffalo-Red Raider football game.

Game time is 2 p.m., and the train will unload about two blocks from Jones Stadium.

Round trip fare from Amarillo is $5.35; Canyon, $4.25, and passengers will also be picked up at Happy and Tulia. The train will leave Amarillo at 10 a.m.; Canyon, 11; Happy, 11:15, and Tulia, 11:35, arriving in Lubbock at 1:30 p.m.

Return time will be about one-half hour after the game, and the train will be back in Amarillo about 7:30 that night.

Tickets went on sale Monday for students, and Wednesday for townspeople, who wish to attend the game. Only 650 seats are available on the streamlined train, and tickets may be bought at Canyon Drug, Johnny's Texaco Station, and the Ex-Students office on the campus of West Texas State, Canyon; Harmon-Toles, Happy and Tulia; Maxor Drug and the Santa Fe passenger depot in Amarillo.

Game tickets are all for reserved seats and are on sale at the Athletic office located in the field house on the campus of West Texas State College. They are $4 each for the public, and $1 plus activity ticket for each student.

Noon and evening meals will be served on the train for $1 each.

Half fares are available for children ages 5 to 11.

Exes Plan Meet At Las Cruces

Ex-students of West Texas State will be able to visit at a get-to-gether with Buffalo fans at the Palms Motel in Las Cruces, New Mexico Saturday.

Fans and ex-students are welcomed to attend from 2 until 5 p.m.

Gold Star Awards Announced By 4-H

GARY FLETCHER

ANN FISHER

Gary Fletcher and Ann Fisher were chosen as 4-H Gold Star Boy and Girl of Randall County and will attend the district banquet Saturday night in Amarillo.

At the district banquet, one boy and one girl will be chosen to represent the district at the state level. Twenty-two boys and twenty-two girls will be presented at the banquet as Gold Star winners.

To be chosen for Gold Star Boy or Girl, judges examine each 4-H member's project record book. In the record book is a summary of the projects the member works on, newspaper clippings and pictures.

Gary, a sophomore at Canyon High School, is president of the Arrow Point Club and attended the county encampment last August. He had several projects in his record book. He raised three crossbreed lambs and showed them in the Randall County Junior Livestock Show last year. Other projects include raising of Holstein calf, turning in a report of wheat crop he raised on his own land, turning in a report on the white-face Hereford he won at the Junior Livestock Show. He wrote a theme to win the Hereford.

(Continued on page 2)

Student Senate To Underwrite Annual Bar-B-Q

Underwriting of the barbecue for West Texas State College's annual Homecoming celebration has been assumed by the Student Senate, campus student government association, according to Dr. Jack Walker, chairman of the college's Homecoming Steering Committee.

The move was made to relieve the Canyon Chamber of Commerce of double obligations for the barbecue and in assisting campus organizations in building floats for the celebration's parade.

"The Senate, on behalf of the student body, will invite visiting bands, riding clubs, and other official guests of the college for Homecoming, and bear expenses involved," said Bill McKenzie of Levelland, president of the student body.

Date of Oct. 20, 1962, was selected for Homecoming next year, when the WT Buffaloes will play the New Mexico State University Aggies in a home game.

Randall Pioneer Taken By Death

Funeral services for Mrs. Della Mae Walters, 92 years old, Randall County pioneer, were held Monday in First Methodist Church of Happy.

Officiating were Rev. Walter Hadley, pastor, and Rev. Elmer Crabtree of Plainview.

Burial was in Wayside Cemetery under direction of LaGrone Funeral Home.

Mrs. Walters died at 11:20 o'clock Saturday night in her home in Happy. She had lived at Happy since 1921. Her husband, W. B. Walters, preceded her in death Aug. 17, 1919.

Mrs. Walters was born Sept. 5, 1869 in Lynnville, Tenn.

She moved to Randall County in 1902 in a covered wagon. She and her husband farmed and ranched in the Fairview community.

She was a charter member of the First Methodist Church of Happy and a life member of the WSCS.

Pallbearers included grandsons. They were Jack Ratjen, Dick Ratjen, Eddie Walters, C. P. True, Richard Walters, Dale Walters, Avon Wesley and Dale Wesley.

Survivors include four daughters, Mrs. Mack Wesley of Fort Worth; Mrs. Ed True of Clovis and Mrs. Alden Mann and Mrs. Dora Ratjen, both of Happy; two sons, Frank Walters of Happy and P. L. Walters of Amarillo. Two other sons preceded her in death.

Also surviving are a sister, Mrs. R. S. Gowan of Bellview and 15 grandchildren and many great and great great grandchildren.

Better Fishing Is Primary Objective

Texas Game and Fish Commission is opening an aquatic laboratory in Canyon to promote good fishing conditions in 52 counties in the Panhandle and South Plains area.

This information came early this week from Leo Lewis of San Angelo, regional fishery supervisor for the commission.

Lewis said equipment is being housed temporarily in a maintenance building of the Texas Highway Department on the Hereford Highway.

Six laboratory employees will be stationed here permanently. Lewis said a seventh will move to Canyon in a short time.

The regional supervisor said a new laboratory building will be erected soon. The state is in the process of taking bids on the project. He said the building will be constructed in or near Canyon.

It will be built by private enterprise and leased to the Game and Fish Commission, Lewis reported.

Personnel already has moved to Canyon, The supervisor said housing already has been secured for them.

Project leader is Lonnie Peters, an aquatic biologist. Biologist technician is Wesley Barfield.

Three field assistants include Curtis Brown, Clinton Talley and Ronald Melletti. Another biologist is scheduled to move here some time in the future, Lewis said.

The crew will be conducting fisheries investigation and research over the Panhandle and South Plains.

"Their primary job is to improve fishing in the 52 Panhandle and Plains counties," Lewis said.

He said the group also will be concerned with pollution abatement, especially on the Canadian River.

Thanksgiving Services Set By Pastors

Annual Thanksgiving service sponsored by Canyon Pastors Association will be held the evening of Nov. 22 in First Christian Church.

Rev. Aaron Mann, pastor of Calvary Baptist Church will deliver the sermon.

Rev. Newton Starnes, pastor of First Methodist Church, will give the call to worship and the benediction. The invocation and responsive reading will be lead by Rev. Lars Hammerson, pastor of First Presbyterian Church.

Dr. Strauss Atkinson, pastor of First Baptist Church, will give the prayer of Thanksgiving. Rev. Dale M. Harter, host pastor, will give a financial report and will lead the prayer of dedication for the Thanksgiving offering.

Young Pilot Is Killed In Plane Crash Sunday

George Landon Barrett was killed Sunday night as the five-passenger Cessna 310D he was flying alone ricocheted off the bottom of a caliche pit near here and slammed into an embankment.

He was enroute from Midland to Amarillo.

The expensive aircraft belonging to Cooper Homes of Amarillo literally disintegrated.

Ironically, the accident occurred only three miles from the home of Mr. Barrett's wife's parents and only eight miles from the home of his parents where he was reared.

The mishap took place on a tract owned by Louis Brandon 5 miles south of Canyon and about 500 yards west of Highway 87.

Mr. Barrett, 30 years old, an experienced pilot, is believed to have been looking for a hole in a lowering ceiling when disaster overtook him five minutes before he was to have touched down at Tradewind Airport.

Two watches the young man was wearing were stopped at 11:05, indicating the time of the tragedy. His flight plan called for him to land at 11:10.

Randall County Sheriff L.S. Johnston said Barrett was in contact with Tradewind tower minutes before the crash took place.

Johnston said Mr. Barrett told the tower he was over Happy at 11 o'clock and flying at 1200 feet. The tower advised him that the ceiling was 1,000 feet.

Sheriff Johnston said the ceiling dropped to 400 almost instantly. Pending a Civil Aeronautics Administration investigation, authorities blame the plummeting ceiling for the accident. It was snowing at the time. Officers said icing conditions prevailed.

"He must have put up his phone just as the ground came up to meet him," one officer declared.

Local officers were called out about midnight Sunday as the twin-engined craft remained overdue at Tradewind.

Three sheriffs department cars, a Canyon police car and three cars from the Department of Public Safety took up the search.

Officers cris-crossed county roads throughout the night in a fruitless effort.

Planes took off from here and Tradewind at daybreak. Travis Payne and his son, Richmond, joined in the aerial search. Travis Payne is the father-in-law of the crash victim.

The Paynes took off from their home near Ralph Switch at an early hour.

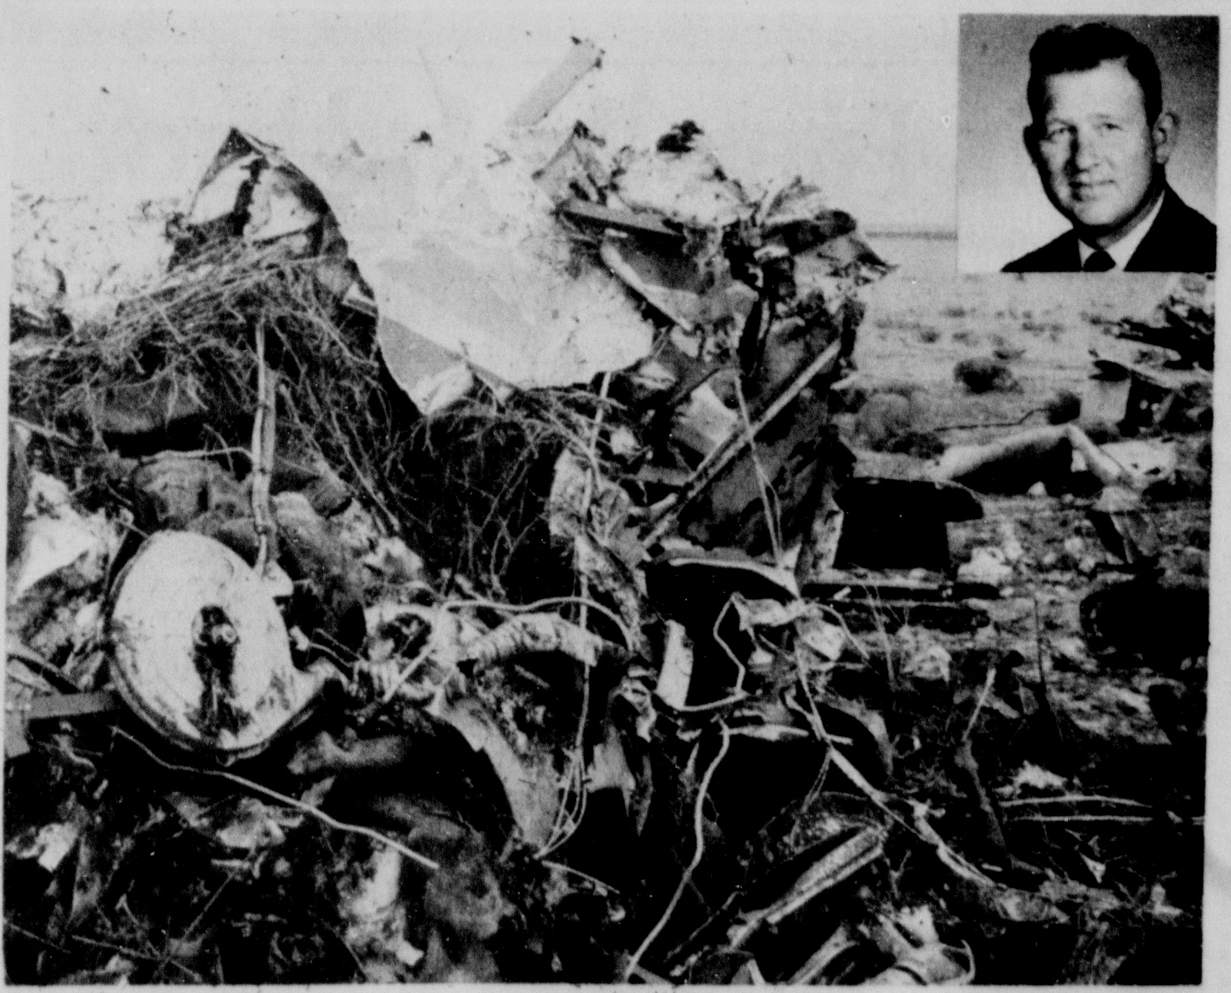
Lee Harlan piloted one plane carrying Deputy Calvin Costley who was equipped with a walkie talkie radio on police frequency.

Three planes were preparing to take off from Hereford and a score of officers joined the search as day broke.

Aerial searchers were involved in a frantic race with a new frontal system only a few miles away. It promised (and finally did) to reduce visibility to near zero.

Wreckage was spotted at 9 o'clock Monday morning by S.L.

(Continued on page 2)



THIS TWISTED wreckage is all that was left of a Cessna 310D which crashed near here Sunday night. George Landon Barrett, formerly of Canyon, was killed in the accident.

FROM THE CANYON RIM

By Troy Martin

We remember in the service when our outfit used to make requests for replacements, the replacement depot would often reply:

"We're sending you 10 men as you requested. Four of them are high speed radio operators and we're sending six live bodies."

What the repple depple meant by live bodies was just that they were sending along some people who could do nothing in particular and couldn't even do that well. The only reason they were in the service in the first place, was because they probably couldn't hold a job anywhere else.

We've been thinking that here might be the core of this country's trouble . . . too many live bodies.

Right Rev. W. F. Bosen was saying mass at St. Mary's in Umbarger Sunday when a marauding wasp crawled up his trouser leg and popped him twice with a stinger.

Father Bosen proved right there that his veins are filled with ice water. Without so much as an ouch, he continued the service.

We've never read "The Tropic of Cancer" and don't have a yen to do so.

In fact, we'd never heard of it and probably never would have if it hadn't been for the hullabaloo raised in Amarillo. Since all the noise started we've heard several people say they intend to order the book from the publisher to see what all the fuss is about.

We do not defend the book. We don't know what's in it but if it is worse than some of the literature designated as classic it must be terrible indeed.

Paul Green, the Pulitzer dramatist, came up with a phrase for states run by pork barrel political methods. He called it "government by crony."

We hope that when Loop 355 is completed ringing Amarillo and crossing all thoroughfares leading into the city, Canyon and its tourist attractions will be well advertised at those intersections.

With Canyon's network of highways the possibilities for tourist trade are unlimited if promotion is properly handled.

Arch Hunsley made a talk at Lions Club last week. He told of passing the present site of Hunsley Hills on a sandstormy day about 35 years ago.

That disagreeable day, Hunsley, a non-golfer, looked at the valley bordered by a rolling incline and visualized a golf course with bubbling fountains and cool greens.

The golf course is almost a reality. He waited 35 years.

At Lions Club Mr. Hunsley told of a present dream of hundreds of houses dotting the area. Who can say that this dream will not come true? We'll wager that it, too, will materialize.

LETTER TO THE EDITOR

Dear Sir:

In a recent story in The Canyon News concerning the NBC television show about Pete Pedro, I noticed that there was no mention made of West Texas State College, nor of the Buffaloes. Canyon received all the credit for the national publicity.

What a bitter pill to swallow.

Very sincerely,
Pat Herald
WT Student

(You're so right, Pat. Our deepest apologies. However, if you will consistently scan The Canyon News you will find that more space is devoted to West Texas State College publicity than to any other single institution.)

First Community Concert Pleases Audience Of 250

Philip Hanson played Shakespeare's kings and clowns "real cool" Monday evening in Canyon High School auditorium.

At least, this was the way one youngster expressed approval, when talking with the unique dramatist following his performance before a group of 250 Community Concert members and their guests.

Hanson was playing a "return engagement" in the Panhandle, consistent with his versatility as an actor. His previous "engagement" in this area was with the Army Air Force at Amarillo in 1942, when he underwent basic training there.

His surprised comment upon seeing snow on the ground here was that he knew it wasn't Texas dust, because Texas sand is not white, but yellow.

Following is a review of Hanson's recital, with Mrs. George deSchweinitz as guest critic:

"What crossed the stage at Canyon High Monday night? Many actors or one actor? Many kings? or one king? One clown or many clowns? This is a question that is not easy to decide.

"Philip Hanson, dramatic monologist from Ashland, Ore., told us as he walked on the stage in dark trousers and an off-white leather dinner jacket, that he had 'no costumes, no scenery, and no play.' When he was through I wanted to argue with him because I am certain I saw all that he said was not there.

"This young "western born and western trained" actor had a face so flexible that he could change from a tall, brawny, soldier-king to a small, shriveled, impish clown in one movement of his wide, thin-lipped mouth.

"Mr. Hanson first gave us the background of Shakespeare's kings, then he walked along the front of the stage portraying each one with a line or two from Shakespeare and there they stood, right behind him as he went on.

"It was as if he were each of the kings for a few minutes and then the shadow imprint was so strong that it stayed right behind him as an 'after-image'. When he reached the end of the stage there were King John, Richard the II, Henry IV, Henry V, Henry VI, and Richard III all standing demanding of the audience what their particular kingships had demanded. It was a thrilling performance.

"For those who were not fortunate enough to have tickets or who let the miserable weather keep them home, I might tell you a bit about what a dramatic monologist such as Philip Hanson does. He has studied Shakespeare's plays so very thoroughly that he has been able to select those characters and scenes that will blend into each other as if a whole new kind of play were created.

"Then he introduces himself and each section in such a way that you want to move closer to the stage. After intermission he talked about how he expected something of the audience and would they please move closer and become a reacting unit in front of him.

"He spoke sharply to this reviewer for taking notes during the first part of the performance because he wanted everyone to enter into the spirit of the performance without letting the mind be too active. The audience and the reviewer were all too willing to do his bidding. They flocked down to the front and laughed heartily.

"I think everyone in the audience, including this reviewer, was impressed with Mr. Hanson's ability to be sensitive to all that went on around him and felt very warm that he should take them into his confidence.

"The audience laughed as they came down to join each other in front of the performer and they continued to laugh as he sprinkled the stage with clowns, jestors, and fools.

"Silence and Shallow from Henry IV Part II sat in the only piece of furniture (a big, old, carved chair) and 'jawed' at each other. Dogberry from Much Ado About Nothing strutted and moaned in the magistrate's court.

"The jestor Festa from Twelfth Night was his wise, courtly, hilarious self. King Lear's fool and the Gravedigger from Hamlet took on the kinds of dimensions that make one ask the question as to which is king and which is fool.

"The whole glorious parade of clowns came to a grand climax with excerpts from Midsummer's Night Dream. Pyramus even died twice because 'he does it so well.'

"Maybe you won't believe me when I say this was all done by one man because I don't believe it either. There were many kings and many clowns showing the people of Canyon how varied man can be when there is a versatile actor to fire your imagination with portraits from Shakespeare."

Hilltop Views

BY DR. J. A. HILL

A free society, such as ours, has no place for the pessimist or pessimism. Freedom is built on faith and hope and love and respect for Deity. To thrive it must have an optimistic atmosphere. Men must believe in each other, in a spiritually endowed government, and in the ultimate triumph of divine will.

Yet, the best optimist must be realistic. He cannot close his eyes to provable facts, be they ever so bad. Sticking one's head in the sand is one way to co-operate with the Devil. We cannot meet the ever recurring crises that threaten our freedom simply by saying none exist.

As this column has repeatedly pointed out, the American people now face a domestic problem of mammoth proportions; and one that is growing rapidly; one that could terminate in national disaster. Reference is to the rapidly mounting crime situation.

In 1960 more than 1,800,000, serious law violations were committed in this country -- more than double such offences in 1950. Chicago alone had 416 murders, 1058 forcible rapes, 8,392 aggravated assaults, and 39,865 burglaries in her metropolitan area. There were 109 murders, 70 rapes, 1,203 aggravated assaults, and 6650 burglaries reported from the Dallas metropolitan area, according to the Dallas News. These experiences are typical of the cities of the nation.

A significant aspect of the problem is the increasing frequency of attacks upon law-enforcement agencies, the purpose being, no doubt, the wide-spread intimidation of our peace officers. Such actions are anarchistic and must be curbed if civil order is to survive.

The nation-wide condition and the peril it presents is impressively pictured in a recent article in the **Dallas News** by its editor, Dick West. I quote:

"Public concern over Mr. Khrushchev and his conspiracy has its bad side effects: in our indignation -- we tend to overlook serious ailments right under our noses.

"Crime, for instance.

"We are a criminal nation, no doubt about it.

"The figures, increasing daily, are a disgrace. The future historian who chronicles the advance of this country in the twentieth century will have to devote a chapter to a more sordid side.

"Will Wilson, the attorney general of Texas, made a speech in Temple recently and the researcher for his talk did an excellent job.

"Do you know what the biggest business is in the United States? General Motors? American Telephone? General Electric?

"It is organized gambling.

"Every year the American people pour $47,000,000,000 into illegal channels of gambling.

"J. Edgar Hoover estimates the 'take' by racketeers every year at $22,000,000,000 -- which is twice the wholesale value of all automobiles produced in one year.

"The budget for the entire U. S. Army this year is less than half the racketeers' income.

"For the bribing of public officials, racketeers spend 20 percent of the $22,000,000,000. This bribery amounts to more than the foreign aid program for one year.

"Herbert Hoover says our greatest danger is not from invasion of foreign armies. It is from national suicide -- from our complacence with evil, our tolerance of scandalous behavior and our cynical acceptance of dishonor.

"In this country, where there is a murder every 58 minutes and a burglary every 38 seconds, we have a government which subsidizes the illegitimacy of children.

"It is intellectually fashionable to ridicule patriotism.

"Some unions instruct men not to work hard, so their jobs will last longer, and a chicken farmer is prosecuted because he grew his own wheat on his own land for his own chickens.

"Is it rot and suicide from within?

"Don't concentrate your indignation on the professional racketeer. For every vice lord, there are a thousand patronizers of vice; for every professional gambler there are a thousand bettors lustful for a quick buck. Bribery of elected servants cannot exist without willingness to be bribed."

Huh?

MONTE ROSENWALD has accepted the chairmanship of the 1961 Christmas Seal Drive. He is shown right in the picture receiving the Christmas Seals which were flown from Austin by Chaplain E.D. Clifford and Captain O.G. Minden, Commander of the Amarillo Composite Squadron, Civil Air Patrol. Tom Seay, President Potter-Randall Counties Tuberculosis Association, announced the appointment of Rosenwald. Citing the association's program, Rosenwald said, "The Potter-Randall Counties Tuberculosis Association works constantly to protect us from this disease and to safeguard our children, now and in the future. Christmas gives each of us an opportunity to support this program by contributing for, and making liberal use of, Christmas Seals." The 55th annual Christmas Seal Campaign opened November 13 and will run through December.

PILOT KILLED

(from page 1)

Jeffers flying out of Tradewind.

Authorities said that within a few feet of the caliche pit was flat terrain where Mr. Barrett might have stood a chance to land his craft. Search planes were able to land near the wreckage.

Sheriff Johnston said the first point of impact was about 150 yards southeast of the wreckage. The plane lost its fuel tanks, an engine cowl and a part of the tail at that point.

The plane struck an embankment on the side of the caliche pit about three feet from the top. The tail spun around. The left engine was 90 yards northwest of the wreckage. Johnston said the debris was scattered over about 250 yards.

Mr. Barrett was thrown clear of the wreckage.

Estimates of the plane's speed at the time of the crash vary widely. Officers said the plane's landing gear was not down at the time of the impact.

Johnston said Mr. Barrett was enroute to Tradewind from Midland. He had filed a flight plan at Midland which called for him to fly at 6,300 feet. The plan was filed at 9:55 and called for the Cessna to arrive at Tradewind at 11:10.

The sheriff said the pilot reported 3 1/2 hours of fuel remaining when he last talked to the tower.

J.E. Flynn, office manager for Cooper Homes, said Mr. Barrett had just flown Pat Stamford, president of Stamford enterprises, from Dallas to Midland.

Flynn said the aircraft was equipped with every type of safety device except de-icing equipment. "It had seven different radios," Flynn declared.

Flynn said Mr. Barrett was a very cautious pilot.

He had been flying for Cooper Homes since August of last year. He was a former instructor, charter flight pilot and crop duster.

Mr. Barrett was born Sept. 6, 1931 at Claude. He moved to Canyon with his parents when he was 12 years old. He attended Canyon schools and then served in the Air Force during the Korean War, seeing service in the Far East.

The home is at 2201 Pittsburg in Amarillo.

He learned to fly at Roswell and was described as an experienced and excellent pilot.

"I can't understand why he flew on into Amarillo Sunday night," said Flynn, "Except that he was fond of his family and I guess he wanted to get back to them as fast as he could. I guess he thought he could beat that front in."

Services were held at 3 o'clock Wednesday afternoon in First Baptist Church with Rev. Strauss Atkinson, pastor, officiating. He was assisted by Rev. William B. Williams of Temple Baptist Church in Amarillo.

Burial was in Dreamland Cemetery under direction of LaGrone Funeral Home.

Survivors include the wife, Joyce; a son, Gary L., 7 years old; the parents, Mr. and Mrs. J.H. Barrett of Canyon; two sisters, Mrs. Juanita Crownover of Stratford and Mrs. Anita Anderson of Chicago; and a brother, Elmo Barrett of Amarillo.

AWARDS ANNOUNCED

(Continued from page 1)

He is the son of Mr. and Mrs. James L Fletcher of Rt. 2, Amarillo and has played basketball and ran track at CHS. Gary is secretary of the sophomore class and is vice president of the District Teen-Age Library Association.

Ann Fisher, daughter of Mr. and Mrs. Oren Fisher, has been chosen the 4-H Gold Star of 1962. Ann is a sophomore student at Canyon High School. She is a president of the Pleasant Jo Club and has been in 4-H club work for five years.

During this time, she has entered many contests in cooking and sewing and has won many blue and red ribbon awards. This year, Ann and her sister, Janie, as a vegetable preparation team representing Randall County, also won the district and went to the State contest held at College Station.

Retain Parge As Architect For Theatre In Palo Duro

Earl Parge of the Amarillo firm Hucker & Parge, has been named permanent architect for the $150,000 outdoor theatre dreamed up by the Texas Panhandle Heritage Foundation, Inc.

This action was taken at an executive board meeting at Amarillo Country Club Friday evening, following a dinner meeting of the foundation's board of directors. Parge has been acting in a temporary capacity for some time and has already submitted sketches for the drama facilities, to be located in Palo Duro State Park.

Author Paul Green, visiting in Canyon and Amarillo for several days, spoke briefly at the dinner meeting, in both inspirational and advisory tones. He emphasized to the group the dramatic potentialities for a symphonic drama in Palo Duro State Park, and admonished them concerning physical and economic hurdles.

Mrs. Green accompanied her husband to the Panhandle from North Carolina.

Permanent first-year officers were elected. They include Mrs. Ples Harper, Canyon, president; Mrs. R. C. Cline, Amarillo, membership vice president; Dr. John Denko, Amarillo, operations vice president; Russell Carver, Hereford, finance vice president.

Jerry LaGrone, Canyon, treasurer; Mrs. R. A. Neblett, Canyon, secretary; and board members Raymond Raillard, Dr. James P. Cornette and Avent Lair, all of Canyon.

Mrs. Harper reviewed reports from advisors outside the Panhandle who have endorsed the production. They are Robert Nail, Albany and producer of "Fandangle;" Carl Michell, Richmond, Va., and associated with Broadway's "My Fair Lady;" and William Carr, Tucson, Ariz., museum curator.

Appointed to serve on the finance committee were Eddie Melin, C. E. Weymouth, Mrs. R. C. Cline, all of Amarillo, and Jerry LaGrone, Canyon. Dr. Denko assigned three committees: historical background, script and production; theatre and grounds; membership and finance.

Charles Ware, Amarillo, was appointed recipient of names for honorary memberships in the foundation.

WEATHER GRABS

(Continued from page 1)

Byars, 400 Tenth; James Cole, 1220 Seventh; and near the Jim Flynn home at 902 Seventh.

Tree limbs littered lawns over most of the residential areas Wednesday morning.

City Manager Bill York said city workers began work Wednesday morning piling limbs off streets into parkway areas. He said the city would remove the limbs as soon as weather and man-power permits.

He asked residents not to put broken limbs in alleys but to leave them on parkways to be picked up.

Joe Gidden at Southwestern Public Service Company and Jack Williams at Southwestern Bell Telephone Company had about the same comment.

Trees falling across power and telephone lines were causing power and communication disruption at several points.

Gidden said his crew worked around the clock and would continue to do so until service returns to normal. Conditions were better Wednesday as the temperature dropped to 28 degrees.

"We were lucky that there wasn't a strong wind or a lot of lines would have gone down," Gidden declared.

Williams said there has been little long distance trouble as a result of the weather.

Mrs. Betty Haimes at the bus station said all buses were running on or near schedule except buses from the west.

"They just haven't been coming in," she reported.

The Santa Fe agent said trains were running on schedule.

Highway Patrolman Gilbert Ray said highways in this area were slick but still open. However, major arteries are closed in New Mexico, halting traffic from the west.

There is concern but not despair for the grain sorghum crop.

One elevatorman said no damage has been done yet. However, he pointed out that if the wind were to get up almost 100 percent of it could go down. He said this might result in a 30 to 40 percent loss of the crop.

He estimated that as much as 85 percent of this year's crop remains to be harvested.

"It's fine for grass and wheat, though," he declared.

For all the talk and concern it has caused, the weather has dumped relatively little moisture here. Up to 5 o'clock Tuesday, only .85 of an inch of moisture had fallen.

This information came from Dr. M.B. Measamer at West Texas State College.

A blanket of snow brought more moisture Tuesday night. Snow continued to fall Wednesday.

BIRTHS

Following are the babies born at Neblett Hospital during the past week.

A daughter, Rima, to Mr. and Mrs. John Woods, Canyon, November 9.

Rebecca Anne to Mr. and Mrs. Gilbert Irlbeck, Canyon, November 10.

Deborah Louise to Mr. and Mrs. Wilford Artho, Canyon, November 11.

A son to Mr. and Mrs. Dillard Schenk, Wildorado, November 12.

Bruce Alan to Mr. and Mrs. J.D. Byrd, Canyon, November 12.

FRANCES KIKER pins a carnation to the lapel of Joe A. Gibson's coat when he is honored as superintendent of Canyon Schools by the Future Teachers Association. E.J. Webb, teacher, receives his carnation from Virginia Crounse. Others honored were J.E. Miller, principal, and Mrs. W.E. Miller, patron. (Photo by Ronnie Davis)

CHS Future Teachers Announce Honors at Assembly on Friday

Coach E.J. Webb and Mrs. W.E. Miller were honored as representative teacher and patron of the year by the D.A. Shirley Club, Future Teachers of America in an assembly on American Education Week last Friday at the high school aduitorium.

Also honored by the club were Joe A. Gibson, superintendent, and J.E. Miller, principal.

The representative teacher is selected each year by secret ballot of the club members. Patron of the year is chosen by a club committee.

Mrs. Miller has served outstandingly in Parent-Teacher Association work, is now a vice-president of the state organization, is a local ex-president, has been a member of two community committees for school improvement and has actively supported the schools by her unflagging interest and efforts.

Wam Moore, first place winner in the Mr. FTA contest of District IX, FTA at their meeting at West Texas College last week, and Judi Roberts, finalist in the Miss FTA contest, gave their talks on "The Teacher--Guardian of Tomorrow."

Frances Kiker, president of D.A. Shirley Club, FTA, and Anne Guthrie gave brief explanations of American Education Week purposes and theme for this year, "Your Schools: Time for a Progress Report."

Virginia Crounse, vice-president of the local club, and Janis Miller, FTA member and daughter of Mrs. W.E. Miller, assisted Frances in the ceremony honoring those chosen.

To conclude the assembly, a short play with an educational theme, "Eleventy Per Cent," was given by members of Speech II, directed by Mrs. Lee Foster, instructor.

Members of the cast were Eugene Blasdel, Linda Gazzaway, Elaine Loudder, Ronnie Harris, Cheryl McClure, Kathy Hinger and Ineke Tempelman. Wanda Bourn introduced the cast.

Book Club Sees Film of Europe

Mrs. C.E. Boatman discussed, "Poland", to continue the year's study of "Communism" when members of the Woman's Book Club met in the film room of the library on the campus of West Texas State College, Wednesday afternoon of last week.

Miss Edna Graham told of "East Germany", and showed slides which she took on her trip to Europe and Germany, which included scenes in East Berlin and other points in that area.

Mrs. J.T. Graham was welcomed as new member of the club.

Thanksgiving Supper Is Planned by Club

Mrs. R.O. McKay was hostess to members of the Westside Home Demonstration Club in her home recently. Roll call was answered with Christmas Gift ideas.

Plans were completed for the club Thanksgiving supper which will be held Saturday, November 18, in the Junior Livestock Building, at 6:30 p.m. Each member is to bring silver for her family and a dessert.

Mrs. J.C. Ward will be hostess for the Christmas party in her home, December 19, at 1:30 p.m. Each member is asked to bring a "gag" gift as well as one for her club pal.

Sunnyhill Members Meet in Henry Home

Sunnyhill Home Demonstration Club members met Thursday, November 9, with Mrs. O.O. Henry for their annual Thanksgiving dinner. Those enjoying chicken and dressing with all the trimmings were Mesdames D.L. Allison, Robert Williams, Hobart McManigal, Nathan Harvey, Harry Hardaway, Tom Henry, E.W. Miller, Mona Hildreth, and the hostess, Mrs. Henry.

After dinner Mrs. Hildreth, Randall County Home Demonstration Agent, presented slides of party and holiday decorations.

The next meeting will be January 4 in Mrs. Allison's home.

Death Claims Mrs. Hileman

Mrs. Pearl Evelyn Hileman, 64 years old, died early Monday morning at Morse.

Mrs. Hileman went to live with a relative at Morse about six months ago. She had been in ill health for several months.

Prior to that time she had lived in Canyon since 1924.

She was born Jan. 22, 1897 in Auburn, Texas. She was a member of the Primative Baptist Church.

Funeral services were held Wednesday morning in LaGrone Funeral Chapel. Officiating was Rev. E. J. Norman of Childress.

Pallbearers were Bud Rusk, B. C. Taylor, Tom Freeman, A. H. Hutton, Bill Griffin and C.E. Mariner. Burial was in Dreamland Cemetery under direction of LaGrone Funeral Home.

Surviving ia a brother, C.J. Giblin of Glenndale, Ariz. Several nieces and nephews also survive.

Chamber Operas On Tap For BIT This Week End

Three short chamber operas, two based on well-known fairy tales and one a satire on the modern woman's attraction for the telephone, will be presented Friday and Saturday at 8:15 p.m. in the Branding Iron Theatre at West Texas State College.

The musicals, "The Telephone" by Menotti, "Beauty and the Beast" by Gianni, and "The Emperor's New Clothes," by Moore, are produced by the Opera and Musical Workshop, directed by Royal Brantley. Admission will be $1 a person.

Songs in each show will be accompanied by a small chamber orchestra, with Brantley directing. Members are Joe Haddon and Judy Haddon of Wichita Falls, Harlon Lamkin of Lubbock, Barbara Mathis of Borger, Jack Williams of Plainview, Charles Nail of Odessa, Ruth Ann Bedford of Wichita Falls, Joe Harper of Seagraves, Milton Roach of Seagraves, and Mrs. Carolyn Kite of Canyon.

"The Emperor's New Clothes" is a 30-minute musical which deals with a vain emperor who employs two tailors to weave him a new set of robes. The two weave nothing on the pretext that only they can see the clothes, and the emperor parades through the streets in his "new clothes."

Bob Finnicum of Erie, Ill., portrays the emperor; Robert Wheelock of Canyon the prime minister; Joe Godfrey of Sherman and David Ayers of Amarillo the two tailors.

Others in the cast are Mary Kaye Panciera of Hereford, Kathy Wiley of Dallas, Ann Watson of Panhandle, Myrna Rankin of Eudora, Ark., Frances Crawford of Perryton, Eulalia Sanders of Lockney, Mila Van Dever of Sweetwater, Lanita and Marita Barnes of Quanah, Virginia Ransom of Claude, Penny Cox of Amarillo, Ealy Brock of Amarillo, Stan Joy of Abernathy.

Kenneth Betzen of Hereford, J. D. Killingsworth of Canyon, Ronnie Throneberry of Lubbock, Gary Thurman of Plainview, Gail Peterson of Perryton, Jerry Nichols of Pampa, Jerry Smyrl of Canyon, Joe Fristoe of Amarillo, Martin McDonald of Brownfield, Detlef Cole of Littlefield, Galyn Shelby of Amarillo, and Mike Barry of Odessa.

Gary Wyatt of Dimmitt will be narrator.

Menotti's "The Telephone," briefly relates the attachment a girl has for the telephone and the frustration of her suitor in proposing while she talks on the phone. Lanelle Blanton of Dimmitt is Lucy, and Larry Baker of Amarillo is Ben, the suitor.

Playing the leads in "Beauty and the Beast" are Barbara Hunn of Wichita Falls as Beauty, and Bobby Miller of Dawn as the Beast. Others are David Dziuk of Hereford as the father; Rita Conn of Childress and Linda Adams of Canadian as the other daughters; Raeder Anderson of Wichita Falls as the gardner, and Virginia Ransom of Claude as the story teller.

William A. Moore, director of the BIT, is stage director; and Erin Wertenberger of Hereford is technical director.

Recent visitors in the home of Mr. and Mrs. Ed Harvey were Mr. and Mrs. Ralph Harvey, Mr. and Mrs. Ralph Wayne Harvey and son, and Mrs. Billy Hayes and children, all of Dora, New Mexico.

Marathon Session Sees Four Ordinances Passed

City commission members met for five hours Monday night, but they recorded a busy meeting by passing four ordinances and discussing many other matters.

Getting quick passage among the ordinances was the one concerning "Peeping Toms." This ordinance was brought about as a result of a recent exhibitionist and puts teeth into the law. City Policemen can now arrest a person guilty of being a "peeping tom," and city courts can fine up to $200 for each offense.

Another ordinance getting quick approval was the organization of a civil defense in Canyon. This ordinance was passed to help strengthen the present civil defense organization in the city.

Two other ordinances took a little longer before the Council acted favorably on them. Both ordinances concern streets. The first one was about street improvements and second one dealt with street and curb maintenance and removal.

All of the ordinances passed unanimously.

The City Dads discussed and made preliminary remarks about another future ordinance. It deals with animal control and was tabled for further study.

Delinquent tax payers received a reprieve until Feb. 1 after City Manager York told the Councilmen attorneys had requested tax suits be delayed until then. The attorneys thought it advisable to wait and add the 1961 tax delinquents. At present, ten Canyonites are on the list to be sued for back taxes.

The Council then listened to requests to zone two separate areas for parking time limits. The first one was a request by Mrs. W. E. Parker to limit the parking time to one hour for the paved parking area east of Dan's Store on 16th St. She had told York, who told the Council, that the parking area was taken all day by pool hall customers.

A complaint registered to York about another parking area was near another pool hall. York told of an elderly man who had to walk several blocks to drop off his clothes at the Monarch Cleaners, which is located on Fourth Ave. between 22nd and 23rd Streets. Council members voted a 30 minute parking limit between 22nd and 23rd on the north side of Fourth Ave.

Joe Gidden, representing the Chamber of Commerce, told the Council money could be raised to pay the interest on the principle for the purchase of additional area at Conner Park.

The Council again instructed York to tell the Chamber of Commerce that money wasn't available to purchase the land.

Gidden also discussed with the City Dads the traffic interchange beautification project. Councilmen said the $7,000 initial cost for a six-inch water line couldn't be possible this year, but they would consider it in next year's budget.

The Council appointed Dr. Ples Harper and Marion Higdon to serve on the Park Board and then approved a request for a street light at Forest Lane and Conner Drive.

Other action taken by the Council included approval of minutes and disbursements for September and October, and a preliminary study on proposed 1962 street paving projects.

Marcus Adair attended the meeting and requested the Council to dig a deeper sewer line behind the Inter-Denominational Student Union Building, which he is constructing. Adair said the existing sewer line isn't deep enough to serve the building and wants the line dug 10 feet deep. Councilmen instructed York to investigate the matter and make a report at the next meeting.

P-T.A To Hear Larry Roberts

Canyon Parent-Teacher Association will meet Thursday night, Nov. 16, at 7:30 in the High School auditorium. Larry Roberts, school counselor, will discuss the various tests given students from the elementary grades through high school. He will explain the purpose and results of these tests.

A room attendance prize will be given, and a social hour hour with refreshments will be held following the program.

Church Plans Chili Supper

Adult Bible Class members of the Assembly of God Church are sponsoring a chili supper to be held at the church Monday evening at 7 p.m. All proceeds for the supper will go toward the Assembly of God Youth Camp at Roaring Springs.

Large bowls of chili will sell for 40¢ each, cake is 10¢ a slice, and coffee will be served free of charge. Outside orders will be sold and delivered by calling OL5-3000.

Mrs. O. H. Woolsey of Bushland spent Saturday night with Mr. and Mrs. A. C. Langdon of Canyon.

HERE ARE four veterans of World War I as they gathered to talk over old times at the annual American Legion Armistice Day breakfast here. From left are Charlie Kee, Wes Kleinschmidt, who is commander of the local Legion Post; Roscoe Davis and Hud Prichard.

Mr. and Mrs. A. M. Cunningham are spending the week in Abilene and Temple with relatives. They were accompanied as far as Abilene by their daughter, Mrs. John Petry and her baby, Elizabeth Anne, who have been visiting here.

Visiting in the S. L. Robinson home are Mr. and Mrs. Ross Lightle of High River, Alberta, Canada. He is a cousin of Mrs. Robinson, and has lived in Canada for a number of years. Mrs. Lightle is from Scotland, and this is her first visit to Texas.

Sunday visitors in the home of Mr. and Mrs. C. A. Castleman were their daughter, Mrs. W. B. Bradford, and her children, Bruce Eugene, Vicki Sue and Charla Anne, of Sunray; and W. B. Castleman of Phillips, a son.

THE STATE OF TEXAS
To any Sheriff or any Constable within the State of Texas -- GREETING:

You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Randall County, Texas, the accompanying citation, of which the herein below following is a true copy.

CITATION BY PUBLICATION
THE STATE OF TEXAS
TO: Wanda Goodrich, and if married the unknown spouse of Wanda Goodrich, or if re-married, the unknown spouses of Wanda Goodrich, and if dead, the legal representatives of Wanda Goodrich, the unknown heirs of Wanda Goodrich, and if the unknown heirs of said defendant are dead, then the unknown heirs of said unknown heirs of said defendant, greetings

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Randall County at the Courthouse thereof, in Canyon, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 18th day of December A.D. 1961, to Plaintiff's Petition filed in said court, on the 1st day of November A.D. 1961, in this cause, numbered 5438 on the docket of said court and styled Jerry D. Goodrich, Plaintiff, vs. Wanda Goodrich, Defendant. A brief statement of the nature of this suit is as follows, to wit: Suit in trespass to try title, and alternative plea to remove cloud from title to Lot. No. 3, Block No. 47, South Lawn Unit No. 10, to the City of Amarillo, Randall County, Texas as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Canyon, Texas, this the 1st day of November A.D. 1961.
Attest: Mavis Hill Clerk, 47th District Court Randall County, Texas.
By Shirley Donnell, Deputy.

BAPTIST VISITORS

Visitors Sunday at the First Baptist Church included the Rev and Mrs. R. M. Cole, Salem Church; Mr. and Mrs. David Bronner and Mrs. Roberta Wood, Pampa; Mrs. W.B. Bradford, Bruce, Vicki Sue and Charla Anne; Mrs. Alfred Steen, Weatherford; W. B. Castleman, Phillips.

Ralph Bratcher of Dallas visited recently in the home of Mr. and Mrs. Lewis Harvey. He is a brother-in-law of Mrs. Harvey.

Mrs. A.B. Gray was in Oklahoma City recently where she attended a unit sales leaders meeting conducted by the company which she represents.

THE STATE OF TEXAS
COUNTY OF RANDALL
NOTICE
TO: Max L. Cooley:

You are hereby notified that at 10:00 a.m. on the first Monday after the expiration of 42 days from the issuance of this Notice, the same being Monday the 18th day of December, 1961, and in the Court Room of the County Court of Randall County, Texas, the undersigned, Special Commissioners, appointed by the Judge of said Court to assess damages occasioned by the Condemnation of the following described properties:

A strip of land 60 feet in width over, across, on, under and through the East Half (E/2) of the Southwest Quarter (SW/4) of the Southwest Quarter (SW/4), and the Southwest Quarter (SW/4) of the Southwest Quarter (SW/4), all in Section No. 88, in Block 2, AB&M, Randall County, Texas, the center line of which is as follows:

BEGINNING at a point on the one-half section line which point is located 2,647.5' North 89 degrees 49' 20" east 1,915.1' North of the Southwest corner of the said Section 88; THENCE South 52 degrees 28' West 3,143.5' to a point on the South line of the said Section 88 which point bears 154.7' North 89 degrees 49' 20" east from the said Southwest corner of the said Section 88.

Said 60 foot strip of land being in lieu of and in substitution for the 60 foot strip described in any prior notice to you in these proceedings.

for the purpose of constructing, operating, maintaining, repairing, replacing and restoration of a pipeline, all of which appears in a certain amended written statement or Petition filed by Pioneer Natural Gas Company with said Judge, on the 17th day of October 1961, to which reference is here made, the undersigned having heretofore duly selected such time and place of hearing as required by law, will proceed to hear the said Max L. Cooley and all other parties to said action and said amended written Statement or Petition to Condemn and to act thereon in the manner directed by law.

The name of the Petitioner or Plaintiff in said action is Pioneer Natural Gas Company, a corporation, and the names of the Defendants in said action are Max L. Cooley, Doris J. Cooley, Federal Land Bank of Houston, Edward Lee Hunter, and Melvin Wagner. The Style of said action is Pioneer Natural Gas Company, Petitioner, vs. Max L. Cooley and wife, Doris J. Cooley, ET AL, Defendants. Said amended written Statement or Petition to condemn was duly filed with the County Judge of Randall County, Texas, on Oct. 17, 1961, as aforesaid. It was duly marked by said County Judge as being filed on said date. The Clerk of said Court has for purposes of convenience assigned to it No. 1194.

The nature of said suit as aforesaid is for Condemnation of an easement across the aforesaid land for the purpose of constructing, operating, maintaining, repairing, replacing, and restoration of a pipeline, all of which more fully appears from the amended written Statement or Petition to Condemn aforesaid.

If this Notice is not served within 90 days after the date of its issuance, it shall be returned unserved.

Given under the hands of said Commissioners (the undersigned) this the 30th day of October, A.D. 1961.

John A. Williams
Charles Graham
Clark Jarnagin
Special Commissioners

POPPY SALES were made by the American Legion Auxillary Saturday to help disabled veterans. Mrs. Ted Reed sells a poppy to Keith Jones of the streets of Canyon.

KEEPING UP WITH THE ARTS

Mary Caballero

One of the most wonderful and happy times of the year is the Christmas Season!

People on the street seem less stern and business-like, faces of the workers in the stores have a warmer smile, windows full of displays become gayer, and the magazines become so festive that you can close your eyes and see your home all decorated in holiday splendor.

What a happy time for day-dreaming and wishful-thinking! Now is the time that we would love to give everyone the things that would bring them the most joy. But even though we can't give all the gifts that we would like to, our thoughts are more often than not on the ones closest and dearest to us.

The idea of gift giving at Christmas has been criticized as being too commercial but actually it is a time to share our happiness and buy that very special something for those we wish a great joy.

As I do my wishful thinking and planning, I clipped these interesting items from magazines:

Impressive contributions from Picasso and Chagall are among this year's group of designs for UNICEF greeting cards. Also included are designs by a Turkish and a Pakistani artist, and five beautiful Eskimo stencils called Arctic Life. Proceeds from these cards go as always to the United Nations Children's Fund for needed food and medicine for children all over the world. Write UNICEF, United Nations 17, N.Y. for an illustrated brochure.

Another little suggestion was this one:

What child wouldn't love to receive from all over the world such collectors' items as silkworm cocoons, bits of ore, pressed flowers, foreign coins, (not to mention the stamps on the packages!)? Round the World by Mail sends a souvenir--and explanation of it--from a different country every month. A subscription, including a full color world map and an explorer badge, costs $3 for 6 months. Round the World by Mail, 505 Fifth Avenue, New York 17, New York.

This one also caught my eye:

Christmas parcel from Santa Claus in Greenland flown by SAS over the Pole to your child. The parcel (marked: Gift under $10) will contain various items of a very high standard made by well-known Scandinavian designers. Mail your personal check or money-order US $9.80 now and you will receive a bright confirmation from Greenland. Dane House A/S, 54, Amagerbrogade, Copenhagen S, Denmark.

This would be lots of fun and the Scandinavian designers are usually the most excellent craftsmen.

There is a section in the House and Garden Magazine that is devoted to questions about the things you own that might be antiques. They don't give values but they are very thorough in answering your questions about the item you are curious about. The questions are answered in the column or by mail. Write to: House and Garden, 420 Lexington Avenue, New York 17, New York.

Randall Folks At Convention

Four delegates from Randall County are attending a state convention of the Texas Farm Bureau this week in Galveston.

They are Mr. and Mrs. Harley Burrus and Mr. and Mrs. G.A. Dietz

Mr. and Mrs. Paul Wetzel had company Sunday, his sister from Burkburnett, and a sister from Plainview.

Mrs. Doreen Modisette and family are going to Claude to the Junior play.

Mrs. Lorene Abbet of Denver, Colorado, Mrs. Bernice McNeal of Wichita Falls, and Mrs. Sara Beth Louder of New Mexico visited with Charlotte Adams last week.

Mr. and Mrs. Alvin Scroggins went to Friona to visit Porter McGee Sunday.

Linda Scroggins spent Sunday with Fay Modisette.

Recitals To Feature Thirty WT Music Students Next Week

More than 30 students will be presented in recitals Monday and Tuesday by the department of music here at West Texas State College. Both programs will be at 4 p.m. in the Fine Arts Building auditorium.

Featured Monday will be a piano-organ trio playing a Bach selection, and a saxophone quartet. Linda Waggoner of Spur, organ, and Lois Scheer of Follett and Kitty Hibler of Wheeler, will play Bach's "What Fear Has Death for Me?"

In the saxophone quartet will be Rebecca Finnicum of Phillips, Lynda Kyler of Lubbock, Charles Hurt of Wichita Falls, and Stan Michno of Pampa.

Others performing Monday will be Charles Faulkner of Dumas, trombone; Joan Wallace of Amarillo, soprano; David Ayers of Amarillo, baritone; Noreen Putnam of Dalhart, piano; Joe Haddon of Wichita Falls, flute; Gary Thurmon of Plainview, baritone; Donna Blackburn of Friona, piano.

Thomas Hill of Gruver, tuba; Mila Van Dever of Sweetwater, mezzo-soprano; Wesley Rousser of Kress, clarinet; Frankie Coy of Dalhart, piano; Ann Watson of Panhandle, mezzo-soprano; Charles Nail of Odessa, horn; and Henry Hardaway of Claude, tenor.

A second saxophone quartet will perform Tuesday. In the quartet are Roy McGregor of Amherst, Jeff Doughten of Panhandle, Gerry Stevenson of Sweetwater, and Jeanne Seymour of Sudan.

Also on the program Tuesday are Velora Adair of Canyon, piano; Jerry Sparks of Spearman, clarinet; Jimmy Killingsworth of Canyon, baritone; Ruth Bedford of Wichita Falls, horn; Rita Conn of Childress, piano.

Myra Rankin of Eudora, Ark., soprano; Charles Nance of Midland, tuba; Frances Crawford of Perryton, organ; Jerl Nichols of Pampa, baritone; Leticia Scott of Amarillo, soprano; Marihoward Apel of Panhandle, piano; Judy Wilson of Canyon, horn; and Linda Adams of Canadian, mezzo-soprano.

ATTENDS FUNERAL

Lewis Harvey has returned from Salinas, California, where he went to attend funeral services for his sister's husband, Owen McGee, who died October 28, after a short illness.

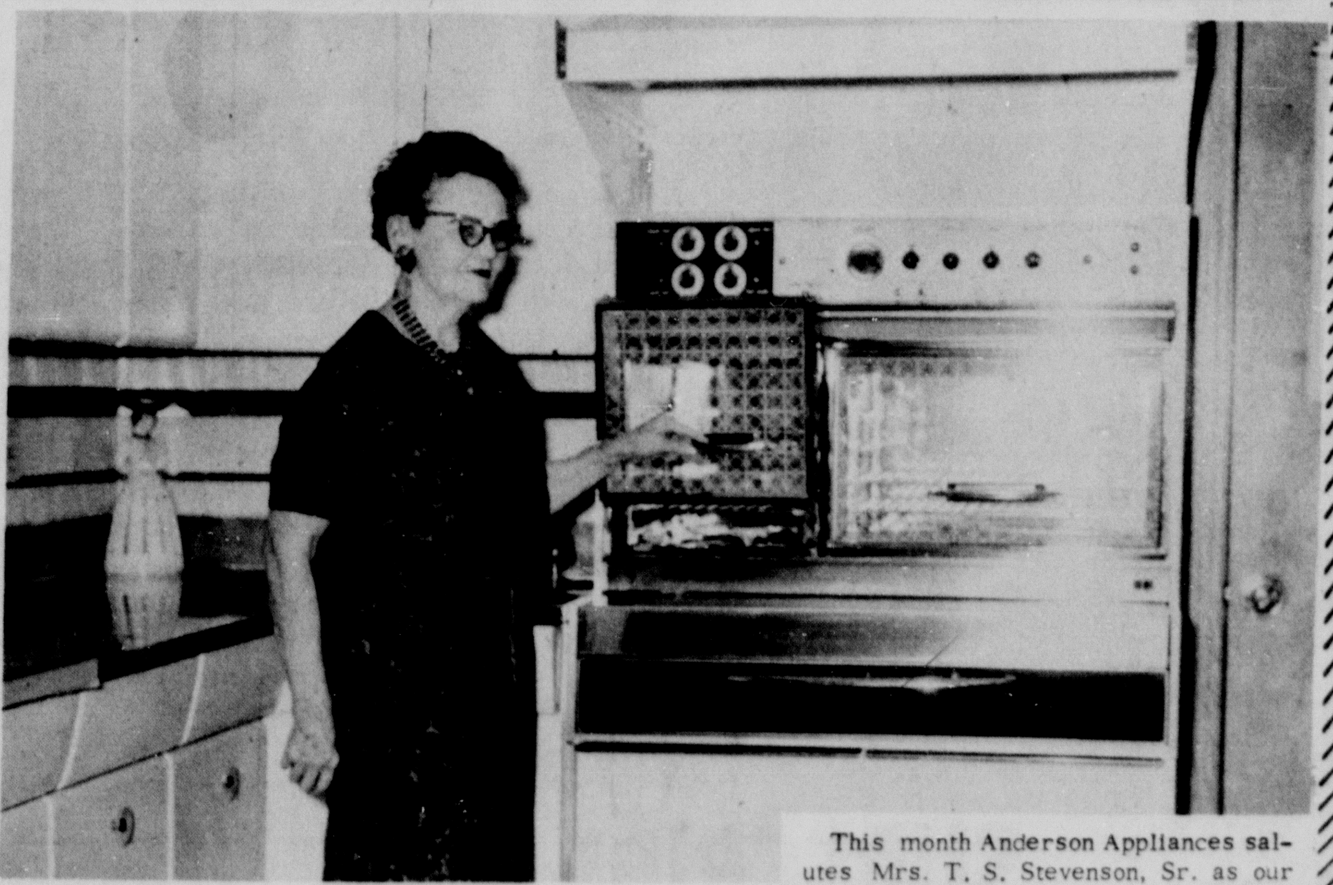
MRS. T.S. STEVENSON

Has been selected by Anderson Appliance as

November Housewife of the Month"



This month Anderson Appliances salutes Mrs. T. S. Stevenson, Sr. as our November Housewife.

The Stevenson's of 2409 6th Avenue have lived in Canyon 28 years, Mr. Stevenson being a former Dodge-Plymouth dealer for much of that time.

Recently Mr. and Mrs. Stevenson purchased their 1st Frigidaire Appliance . . . . .a beautiful Flair Range. Mrs. Stevenson states that they "have been very happy with it!"

"With all the good cooking she does," Mr. Stevenson tells us, "she certainly deserves a good stove!" (And "Steve," you sure couldn't have bought her a better one.)

"The main reason that we chose Frigidaire," the Stevenson's told this writer, "is that we have always heard "Andy" gives good service and our Friends have Assured us of that!"

Mr. and Mrs. T.S. Stevenson Sr., have two children, both married. . . .their son T.S. Stevenson, Jr. is the Pontiac dealer here in Canyon and their daughter is Mrs. Nell Jennings of Scottsdale, Arizona.

Why don't you move up to "Frigidaire Flair"? Come in and look them over and we're sure you'll find the reason more new Flairs are being added to Canyon households by the week.

Be a "DEAR" THIS YEAR!

The Canyon News

ONE OF MANY NEWSPAPERS ACROSS THIS GREAT NATION STANDING AS A GUARDIAN OF YOUR FREEDOM!!

The Power to Ask Protects Your Right to Know

Every day some policy-makers in government, or leaders in other walks of life, make decisions which vitally affect your future and that of your family.

In many countries of the world you would be forced to follow these dictums blindly, unable to ask why, or in many cases unable even to know that they had been made.

In America, everyone with public responsibility knows he must be prepared to answer for his actions. He knows that your representative—the skilled reporter of the newspaper—will appear, pencil in hand, to ask pertinent questions that he had better be prepared to answer.

Every day your newspaper, covers a multitude of newsfronts probing for answers to the whys and wherefores of actions that affect your job, your home, your family and your safety.

The answers published in your newspaper are not fleeting messages, but are an indelible record that give you and your neighbors the basis for discussion and for rendering the ultimate decision on unpopular and unjust actions.

Thus your newspaper is an extension of your power to ask questions about policies that affect you. The answers furnish you the basis for constructive action built on an informed judgment. The newspaper is a guardian of your freedom.

Commissioners Sign ROW Pact With Highway Department

Randall County commissioners Monday voted to enter into a contract with the State Highway Department for purchase of right of way for the first segment of the South Loop.

The state has agreed to pay for half the cost of right of way.

The 3 1/2 mile arc of right of way is to be a part of Loop 355 proposed to circle Amarillo, tying into all major highways entering the city.

The segment of right of way to be purchased would tie the expressway to Washington Street.

Knox Parr, right of way agent for the Highway Department, appeared before the commissioners at the request of Judge Wayland Angel.

Commissioner Clarence Beckman expressed an opinion that the court might do well to hold off on signing the agreement until options for purchase of right of way could be made with land owners involved.

"It looks to me like we ought to keep every bargaining point we can," Beckman declared.

Commissioner B. R. Jones, in whose precinct that part of the Loop is located, said all but two of the property owners involved have made verbal commitments as to right of way.

"Some of those verbal commitments could go out the window," Beckman warned.

"I don't want to be misjudged or misquoted," Beckman declared. "I'm 100 percent for the Loop when it's all lined up. It has been my experience that when the state gets into it the price of land goes up."

"Parr assured the commission that if right of way should prove unreasonably high, the county is not obligated to go through with right of way purchase. He said the contract entered into Monday does not make it mandatory that the county go through with right of way purchase.

He said the contract merely assures the county that when right of way is purchased the state will pay for half of it.

Beckman also expressed concern over how the county would pay for any right of way purchased. He said the road and bridge funds are low and the right of way fund is overdrawn about $19,000.

There was no discussion as to whether the right of way would be purchased out of road and bridge funds of the county as a whole or out of precinct road and bridge funds allocated to Commissioner Jones.

The Highway Department has agreed to participate in the right of way purchase up to $36,000. No time limit has been set on procuring the right of way.

Parr pointed out that had the county purchased the right of way before a contract was signed it would not have been eligible for reimbursement.

The court authorized Sheriff L. S. Johnston to contact contractors about remodeling the old portion of the court house.

The county accepted a check from the state for $2,755.18 as partial adjustment for moving utility poles at Washington and 45th and Georgia and 45th.

The court authorized the purchase of short term bonds with $200,000 out of tax money currently collected for use next year. The bonds will mature in February and earn $1,187 for the county.

It was announced that contract for the Washington Street overpass may be let in December.

The court authorized Judge Angel to sign any papers necessary to carry out the right of way agreement with the state.

Three members of the Amarillo Junior League were present as observers for the meeting. They are Mrs. Hughes Seewald, Mrs. Ted Lokey, Jr., and Mrs. Tom Thatcher.

Umbarger Festival Tops All Records

Umbarger recorded the best Fall Festival in its nine year history by feeding 1,742 during the two meals this past Sunday.

Members of the St. Mary's Catholic Church prepared for the large group by having two lunch lines, the first time in the history, and fed 1,262 during the noon meal. Old timers of the community said this was the largest noon time feed that they could remember.

The lunch line began to form before 11 a.m. and until 2:30 p.m. the line extended outside of the building.

Rt. Rev. Msgr. W.F. Bosen said the money raised from the festival would go into the saving's account and would help build a larger church for the community. He thanked all the people of Randall County for helping to make the festival the best one during the nine years.

Four Canyon Students Listed In Who's Who

These four Canyon students are among 34 named to represent West Texas State College in the 1961-62 edition of "Who's Who Among Students in American Universities and Colleges." Standing are Alvin Garner Stamps and John Robert Wheelock, and seated are Mrs. Jeanine Johnson and Cathy Morris.

Four persons from Canyon are among 34 juniors and seniors named to represent West Texas State College in the 1961-62 edition of "Who's Who Among Students in American Universities and Colleges."

From Canyon are John Robert Wheelock, Alvin Garner Stamps, Jr., Cathy Morris, and Jeanine Johnson.

The winners were selected from nominees submitted by departments of instruction and campus organizations to the Student Honors Committee, headed by Dr. Ima Barlow, professor of history.

They will be featured in the 1962 Le Mirage, WT yearbook.

Wheelock, son of Mr. and Mrs. Robert Denton Wheelock, is a physics major. Wheelock is a member of Alpha Chi, Sigma Nu, national social fraternity, Math Club, Drill Team, and Phi Mu Alpha Sinfonia.

The son of Mr. A.G. Stamps, Waldron, Ark., Stamps is majoring in agriculture. He is a member of the Agricultural Club and Alpha Chi.

Miss Morris is the daughter of Mr. and Mrs. Milton Morris, 2414 Seventh Ave. Miss Morris is a social studies major and president of the History Club and vice president of the Association of Women Students. She is a member of Phi Alpha Theta and Delta Zeta.

Mrs. Johnson, the daughter of Mr. and Mrs. Dorris Vester, Amarillo, is an English major. She is a member of Alpha Chi and a winner of an Alpha Chi scholarship last year. She has also been a member of the A Cappella Choir.

Area Librarians To Gather At WT

Librarians from 44 counties of the Panhandle and South Plains will attend the 13th annual meeting of District I, Texas Library Association, here at West Texas State College Saturday.

Principal speakers for the day's sessions will be Ray C. Janeway, librarian at Texas Technological College, and William A. Moore, associate professor of speech at WT.

Registration opens at 9 a.m. in the Fine Arts Building, where the morning session is scheduled. Janeway will speak on "Librarianship in Chaos" at the general meeting. Presiding will be F.M. Blackburn, WT librarian.

Invocation will be given by Gordon Downing, director of the Church of Christ Bible Chair at WT, and Dr. James P. Cornette, president of WT, will welcome visitors. A report on Texas State Library activities and developments will be given by William K. Peace, acting state librarian.

Moore, assisted by Mrs. Ples Harper, president of the Texas Panhandle Heritage Foundation, will discuss the proposed symphonic drama in Palo Duro State Park, at the luncheon in the cafeteria. Mrs. Grace Scott, librarian at Tulia High School, district vice chairman, will preside.

Excerpts from "The Telephone" by Menotti, one of three chamber operas scheduled Friday and Saturday nights at WT, will be presented at the luncheon. Larry Baker of Amarillo and Lanelle Blanton of Dimmitt, cast for the opera, will sing.

Mr. and Mrs. O.E. May of Silverton spent Sunday visiting here in the home of Mr. and Mrs. Bill May and with Mr. and Mrs. Jim Boyce and family. Bill and Mrs. Boyce are the son and daughter of the Mays.

Singing Group To Appear Here

Two programs will be presented by The Four Freshmen, nationally-known singing group, here at West Texas State College Nov. 21. The performances will be open to the public.

Tickets will remain on sale in the game room of the Student Union Building through Tuesday afternoon. They cost $1.50 for each performance. WT students may buy tickets for $1 with their activity tickets.

The performances will be from 7 until 8 p.m., and from 8:30 until 9:30 p.m. in the Administration Building auditorium.

Tickets may be obtained through the mail by writing Box 825, WT Station, in Canyon.

The Four Freshmen are being brought to the campus by the special events and forums committee of the Union Board.

Mrs. Mona Hildreth, Randall County Home Demonstration Agent, is attending a district agents' meeting in Amarillo this week.

Canyon Man Killed By Gunshot

Charlie Madison Huffines, 305 Fifth Street, died of gunshot wounds at 2:15 o'clock Friday morning of last week in St. Anthony's Hospital.

He was 82 years old.

Deputy Sheriff Calvin Costley said he was summoned to the Huffines home here about 10:45 o'clock Thursday night of last week.

He and other officers found Mr. Huffines fatally wounded. Costley said a .410 gauge shotgun was near the divan on which Mr. Huffines had been seated.

Officers said Mr. Huffines had been shot in the upper left chest and the charge came out of his body just below the left shoulder blade.

He was rushed to St. Anthony's where surgery proved fruitless. He never regained consciousness.

No coroner's verdict has been returned as yet.

Mr. Huffines had lived in Canyon since 1948. He came here from Siloam Springs, Ark.

He was born Aug. 17, 1879 in Kentucky. He was a retired barber.

Funeral services were held Saturday afternoon in Calvary Baptist Church with Rev. Aaron Mann, pastor, officiating. Burial was in Dreamland Cemetery under direction of LaGrone Funeral Home.

Pallbearers were Russell Thompson, Fred Randolf, B.C. Taylor, Joe Reynolds, Bill Griffin and Charlie Pruitt.

Survivors include the wife, Mrs. Fannie Mae Huffines; a daughter, Mrs. Ralph Brown of Dallas; a brother, J.J. Huffines of Dallas; a sister, Mrs. Carrie Spellman of Forney; one grandchild and three great grandchildren.

Mrs. Ralph Johnson left Sunday to return to her home in Oakland, California, after a visit in Canyon with her son-in-law and daughter, Mr. and Mrs. David M. Lipscomb, and children.

GO TO CALIFORNIA

Mr. and Mrs. B.E. McCormick left Tuesday morning to go to Long Beach, California, to visit with his brother, Mike McCormick, who is ill. They were accompanied by two of B.E.'s sisters, Mrs. Lois Kellogg and Mrs. Maurice Mitchell, both of Amarillo. Mike is a former resident of Randall County.

Drawing Dates Set

Dates have been set for Chamber of Commerce drawings to be held during December.

This information came this week from Roland Black, secretary.

The drawings will be held three consecutive Saturdays beginning Dec. 9. Drawings will be held at 3:30 o'clock on the north side of the court house.

Future Homemakers Telephone Residents for Civil Defense

FRANCES KIKER, chairman of the Canyon High School FHA Civil Defense committee, is assisted by Kay Kuykendall and Jan Jennings in calling Canyon residents to let them know that Civil Defense classes will be held here in January.
(Photo by Ronnie Davis)

Civil Defense, a national Future Homemaker goal, has been a project for the past three years of members of the Canyon High School Chapter. Their efforts were climaxed this week when 36 local girls, as members of a Civil Defense committee headed by Frances Kiker, telephoned all residents of Canyon, letting them know that registration for Civil Defense classes could be made from 7-8 p.m., Nov. 9, at the FHA meeting, and again on Nov. 16, at the Parent-Teacher Association meeting which will be held at the High School auditorium.

These classes will begin in January under the educational division of Civil Defense, with Joe A. Gibson, school superintendent, as chairman.

Joy Harter, FHA president, directed the meeting Thursday night with Patsy Robinson, vice-president, presenting the program. Appearing was a vocal quartet, Dr. Dudley Moore, Bill Davis, Bill Knighton, and Bob Allford, who sang several appropriate selections.

The film, "Operation Cue", was shown and Georgia Ann Hallaway reported on the benefits derived from attending a twelve hour Civil Defense school in Amarillo.

The Emblem Service was presented by 16 sophomore members.

Members of the Civil Defense committee are Frances Kiker, Linda Adair, Janis Miller, Jan Jennings, Kathy Hinger, Mary Ann Wheelock, Joyce Nitengale, Nancy Burrus, Mary Lou Johnson, Judy Rhodes, Rosemary Innes, Joy Harter, Janet Gerald, Dorothy Grabbe, Gloria Buchanan, Carol Brown, Doris Smith, Cathy Robbins.

Nancy Davis, Ann and Janie Fisher, Donna Hutton, Rue Ann Guill, Kathy Allen, Linda Lowes, Beth Jarrett, Kay Kuykendall, Patsy and Jeannie Robinson, Lee Ann Kelly, Kaydean Barnard, Mary Beth Maxwell, Gloria Parsons, Rose Innes, Pamela Richard and Jill Jarnigan.

Farewell Dinner Is Given To Honor Welfare Official

Employees of the State Welfare Department honored William G. Gibbs with a farewell dinner in the home of Mr. and Mrs. E.T. Cummings of Canyon, Saturday, November 4. Gibbs has been promoted to Assistant Director of the Public Assistance Division of the State Department of Public Welfare and will be making his home in Austin. Also honored at the dinner was Don L. Abernathy who is replacing Gibbs as Supervisor of this area.

Attending the dinner were Mr. and Mrs. Gibbs and Billy; Don L. Abernathy, Mrs. Opal Wedel; Mr. and Mrs. Truman Kelley, Gwen and Lynn; Mrs. Gerry Sparks, Mr. and Mrs. Marvin Hodges; Mr. and Mrs. Kenneth Kearns and Craig; Mr. and Mrs. E.J. Stovall, Mrs. Vera Glover; Mrs. Frances Wright, all of Amarillo; Mrs. Reba Hanna; Mr. and Mrs. Clifton Martin of Plainview; Mrs. Leona Glenn and Linda; Mrs. Cora Loving of Hereford; Mr. and Mrs. B.H. Murphy of Dalhart; Jo Hubbard, Shirley Payne, and the host and hostess.

FRIDAY'S PEP rally at Canyon High School was highlighted with the crowning of Mr. and Miss Purple and White. Placing the crown on Kay Jarnagin's head is Coach E. J. "Jeep" Webb. Looking on is Ronnie Harris, Mr. Purple and White.
(Photo by Ronnie Davis)

Brown-Plank Nuptials Said In San Marcos Church Rites

In nuptial rites held in the parlor of the First Baptist Church of San Marcos, Miss Beverly Brown became the bride of Rhett Milton Plank. Officiating was the Rev. Jack Byrom, pastor of the church. The ceremony was performed at 8 o'clock on Friday evening, October 27, before a small group of family and friends.

The bride is the daughter of Mr. and Mrs. G.W. Brown of Hebbronville, and the bridegroom is the son of Mr. and Mrs. John Plank of Canyon.

Given in marriage by her father, the bride wore a wool suit of pale beige with brown accessories. She carried a white Bible topped with white orchids. She was attended by Miss Jill Tom of Cambellton, and Mrs. Carl Wooten of Amarillo. Serving as best man was Bob McKay, and Lynn McKay was groomsman.

A reception was held immediately following the ceremony in the church parlor.

Attending from Canyon were Mr. and Mrs. John Plank, parents of the bridegroom; his brothers, Johnny and Daryl; and sisters; Laura and Margaret, and his grandparents, Mr. and Mrs. E.E. Plank. Also present were an uncle and aunt Mr. and Mrs. David Plank and their sons, Russell and Mike, of Houston, and an aunt, Mrs. Ida Cooley of Washington.

The bride is a graduate of Hebbronville High School and is attending South West Texas State Teachers College, San Marcos, where she is a member of the "Strutters" who were invited to Washington for the inauguration of President Kennedy. She was also a Colonial Belle representing Hebbronville in the Washington Birthday Celebration in 1960.

The bridegroom is a graduate of Canyon High School, and attended West Texas State College.

After a short wedding trip, the couple will be at home in San Marcos where he is employed with the San Marcos Telephone Company, and Mrs. Plank will continue her studies at South West Texas State.

Croson Home Is Scene for Club

Mrs. N.A. Croson was hostess to members of the Canyon Mother-in-law club in her home Thursday afternoon. Co-hostesses with Mrs. Croson were Mrs. W.G. Rose and Mrs. J.N. Seay.

Mrs. W.J. Stewart presided at the business session, and Mrs. H.C. Hudson gave the devotional. Mrs. R.T. Bowman led the opening prayer. Mrs. T.T. Fain read the minutes and called the roll with members telling plans for Thanksgiving Day.

Mrs. Laura Duckworth gave a reading, and Mrs. G.B. Combs told of an interesting article which she had read to conclude the program.

Refreshments were served to Mesdames E.E. Gidden, Laura Hutton, E.C. Penick. T.V. Slack, J.M. Heims, J.A. Woodfin, R.D. Lowry, Lewis Harvey, Mary Burtz, C.W. Dunn, O.B. Vaughan, Combs, Stewart, Hudson, Bowman, Fain, Rose, Duckworth, Croson, and Seay.

Mrs. Hudson will be hostess for the next meeting, December 14, at 2:30 p.m. Co-hostesses will be Mrs. W.S. Wharton, Mrs. Gidden, and Mrs. Duckworth.

All-Church Dinner To Be Held Sunday

An all church fellowship dinner will be held at the close of the morning service at the First Christian church this Sunday. Mrs. Gene Root, service chairman of the Christian Women's Fellowship, is in charge of spreading the pot-luck meal.

A program will be conducted about the tables. Tommie Blackburn will present two piano numbers. Mrs. Bob Darnell, guest soloist, will give a vocal number. The sing-song about the tables will be lead by Gordon Shaffer.

Mrs. Bob Gatten, treasurer, will give a report of the Stewardship program which was launched last Sunday.

David M. Lipscombs Are Parents of Son

Steven Roy is the new son of Mr. and Mrs. David M. Lipscomb. He was born November 1 at Neblett Hospital, and weighed eight pounds, ten ounces. He has a brother, Scott David, two years old.

Grandparents are Mr. and Mrs. R.M. Lipscomb of Lincoln, Nebraska; and Dr. and Mrs. Ralph Johnson, Oakland, California. Great-grandparents include Dr. and Mrs. C.O. Johnson of Oakland, and Mrs. Elizabeth Lea, Los Angeles, California.

Sue Hite Club Hears Speaker

Dr. Lowell Harrison was guest speaker for the Sue Hite Club when members met in the club room of the Panhandle-Plains Museum Monday afternoon. The speaker continued the club's globe hopping tour with an inspection of Civil War States. He discussed the topic, "Can We Forget?", outlining the contributions made by Texans during the Civil War.

Dr. Harrison is head of the Department of History, West Texas State College, and is a recognized authority on the war between the states.

Mrs. Hatcher Brown gave the invocation, and Mrs. Billy Willingham led the pledge to the flag.

Hostesses were Mrs. R. F. Phillips and Mrs. O. L. Culberson.

Present were Mesdames Sidney Burgess, A. C. Clark, Levi Cole, Clay Cooper, T. J. Crager, T. V. Crounse, J. E. Flynn, D. M. Foster, A. K. Goodman, W. F. Haggard, Crews Henry, Virgil Henson, Oscar Hinger, Craig Johnson, Mitchell Jones, Edward L. Lindsey, M. B. Mesasmer, Gene McGlasson, Jr., Henry Osborne, J. O. Parker, E. E. Perkins, K. L. Pond, A. H. Prichard, Crannell Tolliver, A. L. Walsh, R. D. Wheelock, Lorenzo Wirt, Brown, Culberson, Phillips and Willingham.

Garden Club Meets M.S. Downing Home

Mr. and Mrs. M. S. Downing entertained members of the Canyon Garden Club in their home Thursday evening. Dr. Ples Harper presented a program on the growth and care of peonies and hibiscus.

Refreshments of apple pie and coffee were served to a guest, Mrs. R. N. Cooke, a new member, Roy Grider, and Mr. and Mrs. Joe Frank, Mr. and Mrs. K. E. Hines, Mr. and Mrs. T. A. Black, and Mesdames Levi Cole, Dewey Foster, Jeannette Robbins, E. T. Cummings, C. W. Samples, Ed Weeks, C. R. Burrow, Clyde Warwick, R. A. Neblett, Alfred Bellah, Hud Prichard, Dr. Leta Boswell, the host and hostess.

Next meeting will be December 14, in the home of Mrs. Alfred Bellah, with Mrs. Frank Morgan as co-hostess.

Family Night Dinner Planned

The Westminster Choir and the Senior Choir will sing for the 11 a.m. Sunday Service at the First Presbyterian Church on November 19. At 6 o'clock on Sunday evening, the congregation will join in a Family Night Thanksgiving Dinner which will be followed by the Annual Praise Service.

The Women's Association is in charge, with Mrs. Phillip Harper as chairman for the service. Mrs. W.E.. Miller, hostess chairman for the church, is in charge of the committee which is planning the turkey dinner. The Annual Thank Offering will be presented at the Praise Service on Sunday evening.

Relatives Visit In Abbott Home

Visiting in the home of Mr. and Mrs. Ferrell Abbott recently were Mr. and Mrs. Carl W. Smith of Canyon; Mrs. Margie Pope and Lee Wayne, Bynumville, Missouri; Mr. and Mrs. Ernest Duncan, Fort Worth; Mr. and Mrs. Jack Smith and children, Plainview; Mr. and Mrs. Pete Chambliss, Clovis, N.M. Mr. and Mrs. Don Smith, and children, Mr. and Mrs. Finis Cole and baby, and Mrs. Laura Cole, Tulia; Carl Smith, Jr., Portales, N.M.; Pete and Wilbur Leavitt, Happy; Mrs. Dot Leavitt, Carl and Nelson, and Mrs. Bonnie Waters and children, Vega; Mrs. Jimmie Carpenter and children, Ida Bell, Okla.; Mr. and Mrs. Alvin Smith and children of Hereford.

St. Mary's Church To Be Scene of Wedding

MARY CAROLINE BUECKER

Announcement is being made of the engagement and approaching marriage of Mary Caroline Buecker, daughter of Mr. and Mrs. Ben Buecker, Umbarger, and Vincent Ehly, son of Mrs. Anna Ehly, Nazareth.

Vows will be exchanged, November 30, in St. Mary's Church, Umbarger.

Bob Wear Talks To Club

Mrs. William A. Cooper introduced the guest speaker, Bob Wear, minister of the Church of Christ, when members of the Junior Woman's Book Club met on Friday afternoon in the Panhandle-Plains Museum. "Restoring Confidence in Our Spiritual Heritage", was the program theme, to continue the year's study of, "Our American Heritage and Its Blessings".

The speaker emphasized that in order to better express American patriotism, each individual should ask, "What can I do?" instead of questioning, "What are 'they' doing?"

Mrs. Clarence Eugene Thompson presided during the business session, and Mrs. Eugene Bond, Federation Counselor, gave a report of the annual Federated Club dinner.

Mrs. William V. Counseller announced that the December meeting will be a Christmas Tasting Bee to be held in the home of Mrs. J. Manly Bryan.

As chairman of the Community Project committee, Mrs. Murphy White reported the action taken by the club in furthering aid to local needy families, both fanancially and with clothing.

Mrs. Bob Wear was a guest of the club.

The refreshment table was centered with a Thanksgiving arrangement. Hostesses for the occasion were Mesdames Ellsworth Barnard, Duane Howard and Richmond Hales.

Suzanne Sims Is Honoree of Miscellaneous Bridal Shower

Honoree for a miscellaneous bridal shower Friday evening from 7 until 9 o'clock in the home of Mrs. T. H. Knighton was Suzanne Sims. Miss Sims is the bride-elect of Alan Ray Hawkins, and date for their wedding is November 17.

Greeting the guests were Mrs. Knighton, Miss Sims, her mother, Mrs. Geraldine Sims, and Mrs. A. R. Hawkins, mother of the prospective bridegroom. Corsages of white split carnations were presented to Miss Sims, Mrs. Sims and Mrs. Hawkins by the hostesses.

Green and white, the bride-elect's chosen colors, were used in decorations. The table was covered with a white hand embroidered cloth and centered with an arrangement of white carnations and small chrysanthemums, accented with a white and silver bow and wedding bells. Two tall white tapers on either side completed the floral centerpiece.

Mrs. Luther Lawless, aunt of the honoree, presided at the silver service and Linda Brian, a cousin, was seated at the guest register.

The hostess gift was an electric skillet, and fifty guests attended.

Hostesses were Mesdames A. M. Cunningham, Lon Fanning, Gene McGlasson, Roy Lyles, Keith Poole, Ray C. Wells, W. T. Reynolds, George Dudley Moore, Carroll Vaughan, J. C. Newton, Harold Jay Prichard and Mrs. Knighton.

Mother-in-law Club Has Turkey Dinner

Thanksgiving was celebrated early by members of the Palo Duro Mother-in-law Club with a dinner Friday evening in the home of Mr. and Mrs. George Barker. Husbands of members were special guests.

Mrs. J.C. McClendon presented the devotional using as her topic, "Friendship"

Present were Mesdames Alice Black, Gladys Haines, Grace McDougal, Jeannette Robbins, Olga Seales, Rae Walters, Lester Knox and Mae Johnson.

Mr. and Mrs. J.C. Curb, Mr. and Mrs. J.P. Hammons, Mr. and Mrs. J.L. Hildgenfeld, Mr. and Mrs. McClendon, Mr. and Mrs. Fred Marshall, Mr. and Mrs. Leonard Winters, Mr. and Mrs. H.E. Campfield, Mr. and Mrs. Barker and Joyce.

Guests were Mesdames Levi Cole, Lang Hunter and C.W. Samples, Mr. and Mrs. Bob Brotherton and Bobby, and Mr. and Mrs. P.L. Pitt.

The Christmas party will be December 8, with Mrs. Winters.

Cake Icing Demonstration Is Observed by Girls of Canyon High Homemaking Classes

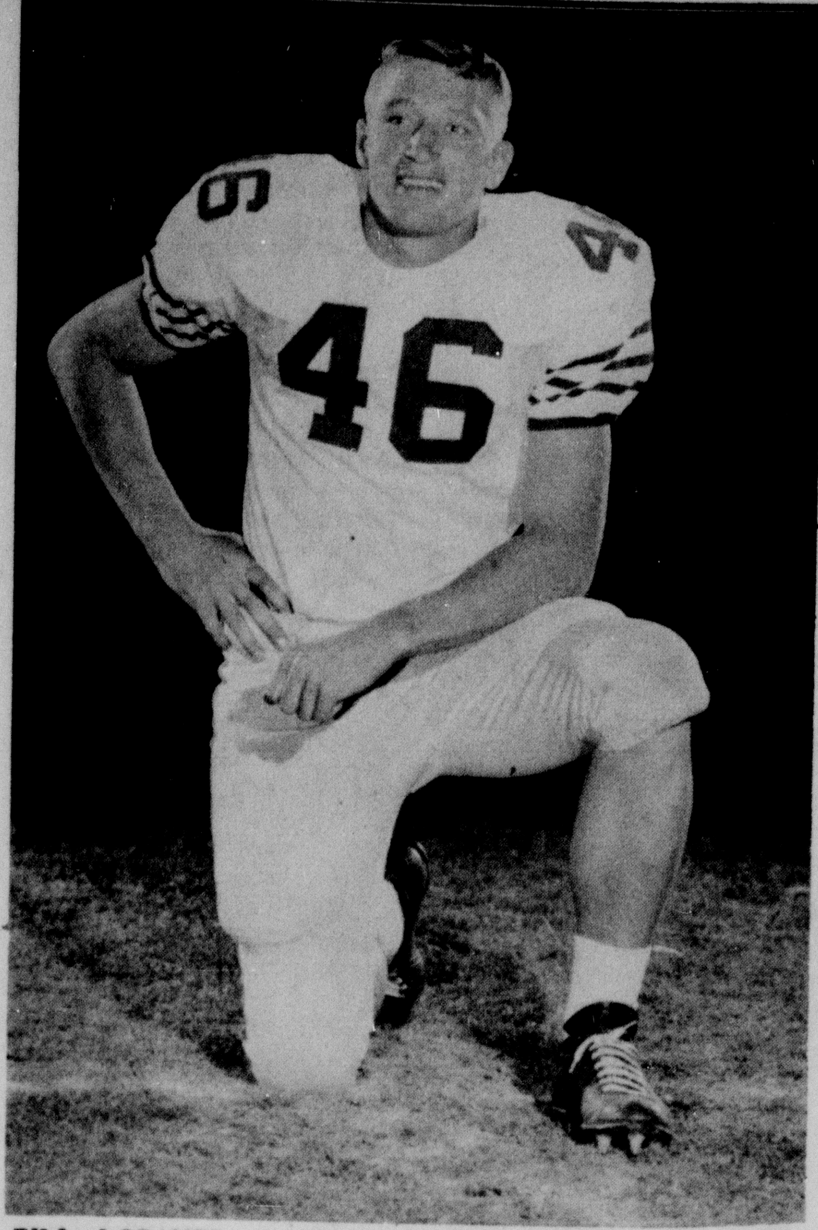
MRS. LEWIS TUCEK demonstrates cake decorating to a CHS Homemaking III Class. Girls observing are Linda Brown, Judy Bourland, Gloria Buchanan, and Jeannie Brazzil.
(Photo by Ronnie Davis)

Cake decorating is a hobby of Mrs. Lewis Tucek, at least it started that way, she explained to Homemaking III Foods Classes Thursday and Friday.

She made cake icing roses, pansies, daisies, leaves, bells and edgings with tips on types of icings and kinds of equipment to be used.

Mrs. Tucek makes cakes for the public, but she does not take orders when they will interfere with her regular family activities. The girls used her equipment, and plan further practice when they have their own cake decorating utensils to assist them.

The decorator explained that colors usually are more beautiful if they are delicate, rather than strong in intensity. She told them that cakes of this type freeze very well, and are therefore helpful in making fancy or appropriate decorations for future occasions.



BILL LORANCE, driving fullback for the West Texas Buffaloes, was one of the outstanding backs against the Trinity Tigers. He carried the ball 18 times for 66 yards, making three first downs when needed. On the first scoring drive, Bill made five yards on a four and one situation to keep WT alive.

20 Canyon Boys Earn 'C' Letter

Twenty football players earned the coveted "C" letters for action in football games this year. Ten of these players were seniors, six being starters.

In the senior group, two players lettered for the third time, while six lettered for their second season. Two seniors lettered for the first year.

Three year lettermen are Ronnie Harris and Ralph Cabe. Harris played linebacker on defense and center-fullback combination on offense. Cabe was an outstanding guard in several of the games.

Seniors lettering for their second season are Warren Rutherford, Wayne Rutherford, Jess Sheets, Gail Cox and Doug Ward.

Marvin Hutton and Richard Green lettered for their first time this year as seniors.

Juniors lettering for their second year are Harry Lisle, Davis Price, Ronnie Brock, Tim White and Gary Lee. Juniors who made the honor for the first time are Bill Phillips, Donald Breitling, John Stritzel and Eddie Poole.

Coach J.E. Webb announced the winner of the "C" letter after the completion of football season and jackets have been ordered.

Coach Reveals New Schedule

Canyon High School football schedule for next season was released by Coach J.E. Webb this week.

Canyon will play in a new district next year. This district will be 2-AA and CHS footballers will compete for the district flag against Tulia, Lockney, Floydada and Abernathy.

The games in order are Dimmitt , here; Hereford, here; Dalhart, there; Phillips, here; Sunray, there; Stinnett, there; Lockney, here, Tulia, there; Floydada, here; and Abernathy, there.

Hereford and Phillips will be AAA schools on the Eagles schedule, while Sunray is the only Class A school playing against the CHS football squad.

BY MRS. J. W. WESLEY

Mr. and Mrs. G. E. Wesley and Mr. and Mrs. Gene Shipman and son, Earl, visited Wednesday with Mr. and Mrs. Jim Williams and daughter, Nancy Low.

Arlen Wesley of Lubbock visited a short time Friday with his grandparents, Mr. and Mrs. J. W. Wesley.

Mr. and Mrs. Ervin Wilson went to Fort Worth Tuesday and brought Glenda and Eddie home Thursday. Red Wilson is doing fine at home now.

Mr. and Mrs. E. E. Wesley and daughter, Susie, of Brownfield visited Saturday night and Sunday with his parents, the J. W. Wesleys. Mrs. Scott Simpson and her sister-in-law and brother, Mr. and Mrs. George Whitfield of Plainview, visited Sunday with Aunt Serena Bryan and Lon Rogers.

Charles Wilson visited his parents, the Red Wilsons, Saturday. Mr. and Mrs. Ervin Wilson and children, Glenda and Eddie, visited Sunday afternoon with Mr. and Mrs. J. W. Wesley.

Our hearts are saddened to learn of the death of another pioneer, Mrs. W. B. Walters. She lived in our community many years. Our sympathy to her family.

Upon looking through last week's Canyon News we learned of the death of another old timer, Mrs. Mary Jenkins. She was Miss Mary McGehee when she taught at Wayside. My first school teacher at that time was Annie Evans. I was only 7 at that time but I have never forgotten her teaching me my ABCs from a chart on a stand.

Susie Wesley went to see C. R. Wesley and took him riding in her new station wagon. Darrell Wilson was injured in an accident at Happy Friday night. Seven stitches were required to close a gash on the lip. His car was destroyed.

Virgia Liston Simpson has just returned from Salt Lake City where she underwent surgery. She is reported to be recovering nicely.

The T&T Club met Friday afternoon with Aunt Serena Bryan and helped her observe her birthday. Each member took her a small gift of jellies or some home canned food. A grab game was played. May Pettit won the door prize.

Refreshments of punch, coffee and two kinds of cake were served. Attending were Madge Sutton, club president, Raddora Evans, Lizzie Wesley, Annie Wesley, Grace Schaeffer, Evelyn Shipman, May Pettit and Aunt Serena.

Next meeting will be with Mrs. J. W. Wesley Nov. 17 at 2:30 in the afternoon. Plans will be made for the club's Thanksgiving supper.

Mr. and Mrs. Junior Lowery and four daughters from Amarillo visited Sunday with Mr. and Mrs. G. E. Wesley. Mrs. Lowery is a niece of Mrs. Wesley.

Several visitors from Canyon attended church Sunday.

Recruiter Says Air Force Needs Qualified Men

The Air Force continues to have a demand for qualified young men to train for positions as navigators in the expanding aerospace force, it was announced today.

The announcement was made by TSgt James Moon local Air Force Recruiter. Sergeant Moon further states that the navigator is becoming an increasingly important part of the aerospace team and career opportunities have never been better for those who qualify for this high level training.

"Qualifications requirements are not overly strict," explained Sgt. Moon. Basically, an applicant must be single, between 19 and 26 1/2 years of age; must be a US citizen; must have at least a high school education; and of course, be able to meet the prescribed mental and physical standards and be of high moral character."

Upon completion of the navigator training the graduates are commissioned as second lieutenants with the aeronautical rating of navigator.

Persons interested in this program may obtain more information by phoning Amarillo DR2-6587 or by visiting the local Air Force Recruiter at 114 East 9th St. Amarillo, Texas.

Canyon Enters Tournament

Sixteen boys and girls teams from area high schools will participate in the first Invitational Basketball Tournament, Nov. 30-Dec. 2 at West Texas State College. The tourney is sponsored by the P.E. Majors Club in the men's physical education department.

Slated are winner and losers brackets, and each team will play at least two games during the tournament. Admission will be $1 for adults and 50 cents for students for each session of three games.

High schools entering both boys and girls teams are Adrian, Claude, Canyon, Farwell, Friona, Lazbuddie, and White Deer. Vega will enter a boys team, and Tulia has entered a girls team.

The tourney opens at 8:30 a.m. Thursday, with the Tulia and Canyon girls squads opening action. Following at 9:45 a.m. will be the White Deer and Friona boys game, and at 11 a.m., the White Deer and Lazbuddie girls game.

Winners and losers continue Friday and Saturday, with the championship games slated at 7:30 and 8:45 p.m. Saturday.

Survey Reveals CHS Ranks Low

A recent survey made by the Canyon High School physical education classes reveals that Canyon boys rank in the lower half of students in the United States.

Coach Charles Chambless made the report to the Canyon School Teachers Association last week.

He told the group 81 CHS boys rank in the 43rd percentile with schools throughout the United States. Coach Chambless believes the reason for CHS-ers ranking so low are little equipment available in track, swimming, tennis, weight and gymnastic. He said schools in New York, California and Pennsylvania have this type of equipment and were ranked at the top.

The test given was the American Association for Health, Physical Education and Recreation Youth Fitness Test, which was divided into seven groups. Each of the groups require certain physical skills.

The percentages in each of the groups for the three classes follows:

	Total
Pull-ups	40%
Sit-ups	83%
Shuttle run	40%
Broad jump	42%
50-yard dash	30%
Softball throw	30%
600-yard Walk-Run	35%

Canyon Stops Friona 48-8

Evens District Record At 2-2

Canyon's Eagles scalped the Friona Chiefs 48-8 Friday night in both teams' final football game. This win gave Canyon a 2-2 record in district and a 4-6 for the season.

From the beginning of the game, Canyon completely controlled the ball and easily moved the hometown Friona team anywhere they wanted. When the Chiefs did score, it was against "B" team members.

Leading the team across the double stripe was senior fullback Ronnie Harris, who made the trip three times and then added two points on an extra point run.

Harris plowed over from the four, dugged his way through the Friona line and then dashed for 76 yards and then made a 15-yard dash for his three tallies.

Four Canyon footballers scored once, with Harry Lisle getting loose for 46 yards and Gail Cox on a 35 yard scamper. Bill Phillips and Robert Cooke drove over from the one. Lisle also split the goal post twice for extra points.

Then to add insult to the high scoring game by the Eagles, a bad snap on a punt for the Friona team put two more points on the scoreboard via a safety. The ball went high over the head of G. Snead to the end zone where it rolled out of bounds with three CHS players close by.

The massacre by the Eagles was a group effort by the four different teams Coach J.E. Webb put against the Friona eleven. Even the "B" team moved the ball easily against this weaker team, and only late in the game did Friona score.

Their lone tally was the result of a 48-yard dash by T. Baxter and he was stopped on the two by Doug Ward who came from behind to nail the speedy back. It took them three plays to score and then on a one-yard pass.

The statistics proved Canyon dominated the game. The Eagles had 578 yards rushing to the hometown Chief's 136. Harris ran seven times for 159 yards and Lisle was close behind with 157 yards in eight carries.

Canyon won the toss and elected to receive and on the first play from scrimmage, Lisle broke loose for 27 yards. He was stopped on Friona's 29 but fumbled the ball with a Chief pouncing on it.

Friona moved the ball six yards in three plays and punted the ball to Canyon's 37. Lisle made three, Harris plowed 40 and Cox made 16 to place the pigskin on the four-yard line. Harris then scored with 7:27 left in the linitial quarter. Donald Breitling's kick was wide.

Friona took the kick off and then moved the ball to Canyon's 19 before losing control. The fired-up Chiefs made a bad call on third down, needing only four yards for a first. They decided to pass and it went incomplete. It was the first pass of the game and was possibly the most ill-timed fling, for it stopped the drive. After this series of plays, Friona was stopped stone cold the rest of the night, although they scored late in the fourth quarter.

Cooke made five yards and then the converted center to fullback Harris reaching paydirt on a 76 yard run. Harris then went off right tackle for the two point conversion with only one minute left in the first period.

Canyon stopped the Chiefs, took the ball after Friona punted and moved 92 yards in eight plays to score. Coach Webb's eleven started on the 18 and on the first play Lisle went up the middle for 47 yards. Phillips, Cooke, Price and Lisle alternated with the ball-carrying task and Cooke scored on a one yard plunge. Lisle's kick was good and the Eagles led 21-0 with 7:53 left in the half.

Again Canyon's defense held

(Continued On Page 3)

Crystal Balling Canyon Football

By Marvin Ellis

Uniforms were turned in Monday at Canyon High School and Coach J. E. Webb completed his second football season. No fan fare or congratulations were offered to him, his assistants or the boys who played for CHS.

But, "Jeep" and his assitants are in the early stages of rebuilding an athletic program and didn't have too good of a season on the gridiron. However, they did improve on their initial season at CHS, by winning 4 games this season, while losing six. Their first year the record was 2-1-7.

Hometown fans were disappointed when the Eagles lost their first two district games, and four other non-district tilts. Everyone but the CHS coaches were picking the 1961 Eagles to win the district and with a 52-6 victory in their first games against the Slaton eleven, it appeared that the Eagles were on their way.

But during the season, several teams decided to cut the Eagles down. Every time a team is picked for first place the rest of the squads gang up and try to get some honors for beating the highly rated team.

In their second contest, the Eagles played AAA Hereford and were skunked 19-0. After that defeat, the CHS eleven played so-so ball and let Perryton win 26-6, then Phillips 24-0 before coming back to whip a weak class A team, Sunray 43-6.

After this victory, the Eagles began to perk up a bit, but the next week proved too much, as district 2-AA winner Floydada edged them 28-20.

District play began and the Eagles lost the service of their fleet-footed halfback Harry Lisle after only four plays and Dimmitt won 16-0. With Lisle in the game, it could have been different in the scoring department.

Then the up-and-down Canyon team hosted the Dalhart Wolves, district winner of 1-AA. The Eagles scored first, but let their defense down and the fast Dalhart squad ran over the Eagles 45-15. Lisel saw only limited action.

After losing face in two district games the Eagles managed to come backto beat Tulia 27-20 in a see-saw battle. If the Eagles had played with determination in all their games as they did against the Tulia Hornets, the scores would have been different. They were behind several times, but fought back to win.

Then in the last game of the season, the CHS eleven ran over a weak sister, the Friona Chiefs 48-8.

What lies ahead for the Canyon team? Next season, the Eagles will play in 2-AA against Lockney, Tulia, Floydada and Abernathy, after the Interscholastic League changed up the classifications.

With this change-up will the Eagles be able to win at "Jeep's" third year at the helm of CHS? This can be answered by a team willing to sacrifice and play their hearts out in every game, no matter what the score.

Football at CHS will improve because of other sports. "Jeep" believes in a strong all-around program and will be urging his players in other sports, which will include track, basketball and golf.

Football players who are not out for other sports will work in a physical education class and weights and wrestling. Coach Webb believes the weights will help individual players in their coordination and agility. Wrestling will help improve aggressiveness and reaction times.

But with help in these other sports, it will still take self-determination and a fighting spirit among the players to develop into a strong football team. The boys must want to play and be tough and mean, but not dirty, during each game. Football is a sport for men, not pansy-waisted boys who cling to their mother's apron strings all during their school life and sometimes into college.

Parents, especially mothers, must remember that the blows, bruises and pains the boys get on the gridiron will make them into stronger men and teach them how to live in a world such as ours. One reason for the United States winning World War II was contributed to the teamwork on athletic teams, learning to work with one's fellow man.

Ability sprinkle among a team also helps in bagging the wins. Canyon will lose six starters and ten lettermen from this year's team. Two ends, a tackle, three guards and four backs will graduate this May, leaving "Jeep" with ten lettermen returning.

If these players decide to win games, and if the "B" team members moving up can play with the varsity, the Canyon Eagles will win more games next year than during the past two seasons. However, if they become satisfied with doing second best, they could end up like Friona 0-10 record for the year.

For a team to win, it must be willing to put out maximum effort during the game and come back no matter the circumstances. Will Canyon be able to do this next year, in basketball now going on or in track during the spring?

The question remains with each player in each sport, not with the parents, coaches or girlfriends.

Freshmen Lose To Tulia 32-14

Canyon's freshmen team suffered a 32-14 defeat in their last game of the season to Tulia last Thursday.

It was in the fourth quarter before Canyon's eleven managed to score. Alex deSchweinitz scored on a 15-yard keeper for the first Canyon tally.

Later in the period Wayne Colling scored on a 20-yard pass from deSchweinitz. Randy Buttrill made two extra points with a plunge.

The freshman team ended the season with only two wins against seven loses.

Seven Starters Return

Basketball Team Plays Tough Non-District Games

Canyon High School basketballers started the uphill fight Tuesday when they had their first practice session of the season.

Looming ahead for Coach Allen Simpson's quintet is a strong Dimmitt five that stands in their way of a district flag. Last year Dimmitt was second in the Class AA state championship rankings, losing to a strong Buna team 60-44.

Coach Simpson's charges will be tough in district play, but the question will be whether they can stop this strong Dimmitt team. The Bobcats lost only one player from last year's team, but he was a big one to lose. He was the All-State James Coffee, who was the top scorer last season.

Canyon will have seven starters back this year, two of them lettering for two seasons. One of these players is Richard Green, a five foot ten inch guard, who is described by Simpson as one of the fastest players for CHS plus being a good defensive man.

The other two-year letterman is Ronnie Harris, a six foot senior forward, who is close behind Green. Harris is also a three-year letterman on the gridiron and is a strong boy under the baskets.

Coach Simpson will have five one-year lettermen to add depth to the team. Wayne and Warren Rutherford are the other two seniors, while juniors are Bob Begret, Harry Lisle and Davis Price.

The Rutherford twins are 6'2'', while Begret stands 6'4''. Price is an even six footer and Lisle is 5'10''.

Canyon's boys quintet will use the single post and employ the fast break as offensive maneuvers. Coach Simpson said the team will be in good enough shape to use the fast break and "we will score when the defense lets a man through. With the type of players we have, their quick reaction and speed are an advantage to the fast break."

The CHS squad has another tough schedule this year, playing one AAAA school and four AAA teams in non-district play. The AAAA team is Borger and the AAA teams are Dumas, Hereford and Littlefield.

Coach Simpson's five will be ready for district after playing these tough teams. The first show-down in district play with Dimmitt will be the second district contest and will be there.

But before Dimmitt, the Eagles will have to play host to the Tulia quintet.

The first game will be Nov. 24 against the Dumas five here.

Play-offs Set At WT Stadium

Canyon will be able to see top teams compete for the bi-district titles this week-end at Buffalo Stadium.

The first battle will be a clash between Dalhart, campion pf district 1-AA, and Floydada, winner of the district 2-AA flag. This game will start at 7:30 Friday night.

Groom, winner of district 1B for the sixth straight year, will face Bovina Saturday night at 7:30 for the bi-district title.

CHRISTMAS SURPRISES FROM PHONELAND

It's not too soon to start thinking about your Christmas shopping list.

If you have as much trouble as I do in selecting just the right thing for those especially close to you, why don't you visit or call our Christmas Phoneland in the telephone business office? You'll find a host of exciting, new and colorful telephone services that are sure to surprise and please.

Here are a few suggestions: A colorful extension phone for Mother in the bedroom, kitchen or sewing room. . . .or in the den or workshop for Dad. You can be sure a phone for the teenagers will be well received. Choose from a table model, a wall phone, or the lovely little Princess phone with the light-up dial.

For family, we offer Home Interphone. It lets you talk from room to room, answer the door, and take outside calls without racing through the house - a real stepsaver for everyone. Or maybe you want the pleasant musical tone of the Bell chime.

Why not visit or call our Christmas Phoneland in the business office and order the telephone gifts you want this week?

"PARDON OUR MESS"

You have probably observed the ditch digging machinery that is working here along 6th Avenue and around the telephone building and wondering what is going on. The Telephone Company is in the process of running an underground cable from the central office out to the edge of town to connect with a new cable being placed underground to Hereford.

This new cable contains 50 pairs of wires to be used for long distance telephone service between Canyon and Hereford and will also be a link in the nation wide long distance network of telephone lines. The cable is actually replacing the old "Open Wire" line that runs along the railroad between Canyon and Hereford.

We are replacing the old line with buried cable to "storm proof" our facilities and prevent the change of ice storms breaking them down.

With the use of special "Carrier Equipment" it will be possible for us to use this 50 pair cable to transmit as many as 300 different conversations at the same time without anyone hearing any conversation other than his own.

The average depth of the new cable between Canyon and Hereford is 40 inches. This required that a ditch from the central office in Canyon be dug to our building in Hereford which is over 40 miles of continuous ditch.

You will no doubt be interested to know that this job will cost the Telephone Company around $640,000.00. Of course this amount includes the cost of the 40 odd miles of cable, the cost of puting it underground, plus the electronic terminating equipment in Canyon and Hereford, and the construction and equipment contained in 5 repeater stations which will be required between Canyon and Hereford to amplify the conversations carried over the cable. The new installation will improve the transmission quality over the old system that has been in use.

The job on this buried cable will be campleted and you will be talking over it before Christmas. So don't forget to call those friends and family out of town and wish them a Merry Christmas.

Call by number. It's twice as fast.

AGAINST NEW MEXICO STATE

Pete Goes After Scoring Record

West Texas State starts down the final stretch of the football season with only two games left for Pistol Pete Pedro to break the all-time major college scoring record.

The Buffs play their ninth contest against the dangerous New Mexico State Aggies at Las Cruces Saturday night and then close the season with Texas Tech Dec. 2 at Lubbock.

Pedro has scored 20 touchdowns during the season, and needs only four more to tie the all-time NCAA touchdown mark. He was used in spot action against the Trinity Tigers, but managed to hobble or an injured leg to score three tallies. The 160-pound speedy sophomore had a bruised leg and slows him down.

The current record of touchdowns scored in one season belongs to Art Luppino of University of Arizona who set the record in 1954.

The New Mexico battle will feature Pedro's running against the fleet halfback Preacher Bilot who is only four TD's behind Pete. The Aggies will be after Pete, as all teams have been, and Pilot will be even more dangerous as he tries to catch-up in the scoring department.

The Aggies also have a fine fullback, Bob Jackson, who is used on the power plays and has help the New Mexico team with their 4-3-1 mark. The Aggies have wins over Arizona State, McMurry, Texas Western and University of the Pacific, while they tied North Texas State. Their losses were to Wichita Trinity and New Mexico.

They have a chance to share the Border Conference flag if they beat West Texas and Hardin-Simmons in their last two games.

They have a chance to share the Border Conference flag if they beat West Texas and Hardin-Simmons in their last two games. They do not play Arizona State University and could end the season with a 3-0 mark.

Picadors Skin Calves 55-14

West Texas Calves were skinned 55-14 by the Texas Tech Picadors last Friday afternoon in Lubbock. This loss put the Calves record at 1-3

The Calves held their own the first quarter, with the score tied 7-7, but at halftime the Picadors were slowly pulling ahead 21-7. The Picadors added another TD in the third period, then broke loose with 27 points in the last quarter.

Halfback Bob Ballard scored the first tally with 2:46 left in the first stanza on a 97-yard punt return. Bobby Lisle booted the conversion to tie the score 7-7.

In the first part of the third period, the Picadors scored and then the Calves came back to add their last tally. Guard Eugene Baldwin recovered a fumbled Tech ball and on the next play Leslie Rolando caught a Lisle pass for the score. The pass-TD play covered 46 yards.

Canyon Stops

(Continued from Page 2)

and Friona punted. The Eagles took the ball across the double stripe in 11 plays, moving the pigskin 59 yards. Phillips scored with a one-yard dive with only 1:30 left in the half. Cox was stopped on the two point conversion run.

During halftime, Coach Webb and his charges were cooking up some fine concoctions for the Friona boys. When they came back on the field and kicked-off, the Eagles decided on a on-side kick. Harris booted the ball correctly and Ward pounced upon the pigskin at the Friona 46. Lisle took the hand-off and scampered 46 yards against the confused Chiefs to score. Only 47 seconds had ticked off the clock in the third period when the Eagles tallied. Lisle kick was wide and the score was 33-0.

Second and third teams moved the ball to the 24 before giving the Chiefs a chance to get on the offense, but the defensive tactics of the Eagles tighten and got the ball back.

Snead booted the ball 32 yards and Canyon started another TD drive. Five plays later, Cox slipped over from the one-yard line untouched. Phillips moved the ball 15 yards on the first play, an incompleted pass and then Cox took the ball for eight and 31 yards before going over for the score. Lisle's kick was good and the Eagles were ahead 40-0.

"B" team members along with other varsity players came in and on the first play, Baxter scotted 48 yards to the two, where Ward pinned him from behind. The Eagles got tough on defense and held the Friona boys two plays before a pass play scored. On this play, Reeve passed to Snead. For the extra point Reeve passed to Perkins.

Friona kicked-off and eight plays later the Eagles scored their last TD of the game. Harris carried twice for nine and 15, Cox twice for 14 and seven, Ward once for two and Jim Whinnery once for five before Harris plowed through for 14 yards for the score. Lisle's kick was wide, and 7:02 was left in the game.

Harris kicked-off, and on the first play from scrimmage for the Chiefs, Reeve fumbled and Cooke recovered for Canyon. The Eagles controlled the ball for the remaining part of the game and before they relinquished the pigskin, 5:30 had been run off the clock.

Canyon's defense held and on fourth down, the Friona eleven went back to punt, but a high snap put the ball into the end zone and out of bounds for a safety.

STATISTICS

Canyon		Friona
24	First downs	7
578	Rushing yardage	136
17	Passing yardage	6
9	Passes attempted	7

8 Lettermen Return For Girl's Varsity

Eight returning lettermen will boost the hopes of the Canyon girl's basketball team. The lassies will begin their season Nov. 21 against the Clarendon team here.

The girls will play 18 plays and participate in three tournaments this season.

All the lettermen are seniors and they are Barbara Erwin, Linda Gazzaway, Kathy Hinger, Nancy Purcell, Lynda Troth, Vickie Weaver, Bonnie Whittington and Lee Ruth Wiggins.

Other girls out for the squad are Kaydean Barnard, freshman; Karen Brewster, senior; Carol Brown, sophomore; Terri Doyle, freshman; Cynthia Gerald, freshman; Iris Hales, junior; Linda Huyck, sophomore; Ruth Purcell, sophomore; Mary Wheelock, sophomore; and Grace Williams, sophomore.

Kay Allen and Patsy Robinson are managers for this year's basketball team.

Tally Sheet

By Marvin Ellis

Canyon's "B" team have been sticking their chest out in pride this season. Four teams have cancelled games with them this year, three of them in district 1-AA. Friona, Tulia and Dimmitt have cancelled games with Canyon's "B" squad because they didn't have enough players to suit out.

This means schools in district 1-AA do not have enough boys out for football to field a "B" team. If this trends continues, what holds for Canyon in the future.

The future for Canyon looks bleak. Canyon High is now one of the bigger AA schools in the state and when they climb to AAA, the Eagles numerically will be in the class of Friona. Friona is one of the smallest teams in AA and has dismally suffered in the winning column.

At the present time, Canyon High School's average daily attendance is 436 this year. The Interscholastic League looks at the attendance every two years and then makes what changes are necessary and it will be 1963 before another mutation will be made upon the atheltic classification.

In past history, the IL tries to maintain a certain number of schools in each of the different classifications. This could be the salvation of Canyon, if the IL raises the number of students for AA. When AAAA began, schools had to have 750 students in the top four grades. It has been set at 850, 950, 1,000, 1,200 and is now at 906. So the magically number may be raised with the population influx in all schools growing each year. Sure hope so.

Have you every notice how a dog or two always manage to find their way on the gridiron during a game? At every game I have witnessed this year, at least one dog has roamed the field.

At Friona Friday night, the Chiefs had only 19 boys suited out for the final football contest.

Canyon had more fans at the high school contest than did the hometown. After nine straight losses, teams just don't get many fans.

Rumors have slowed to a trickle about West Texas playing smaller (?) schools since Athletic Director Frank Kimbrough talked to the Touchdown Club last week. Seems most didn't understand about the finances of the team and the ones most concerned took more season ticket applications to help the WT athletic budget. The old saying about telling people about a situation is the surest way to rectify any problem still holds true.

Coach E.J. Webb's team improved this year's record over his first year at the high post. When "Jeep" began his initial year, his team posted a 2-1-7, but this year improved it to 4-0-6.

"Jeep" was talking over a cup of coffee to me this week and said before Canyon could have a strong football team, all phases of athletics had to be good. When he told this "new-comer" to the Panhandle that only a few football players were out for track, it shocked me.

But this situation is going to be changed, as basketball, track and golf will get equal time, according to this conversation.

It appears most sports, except football, were given the old heave-ho by a past coach. You find a team that is winning in track and the larger percentage of them have strong football teams.

Most fans, and alot of coaches, forget the basic fundamental of just plain old running. I am glad to find out that CHS is building toward a sound track program, but at the same time not forgetting other sports like basketball and golf.

I am sure this will start a flame on the fire that West Texas doesn't compete in all sports, but let's douse water on this before some dissatisfied money-paying fan of the Buffaloes start to cry.

Frank Kimbrough told the Touchdown Club that the school had dropped baseball, but added golf and tract to the athletic program this year. How many colleges in Texas play baseball? Not many, except for the Southwest Conference teams. The only ones I can think of are Sam Houston State at Huntsville and Sul Ross at Alpine.

Even the big Methodist school in Dallas, Southern Methodist University, had to drop most of their spring sport's scholarship last year. Look at all their wealth in scholarships and then compare to WT's income.

The workers at the Touchdown Club have done a good job of helping West Texas and deserve a pat on the back.

At Canyon High School, physicial education teachers gave the American Association for Health, Physical Education and Recreation Youth Fitness Test this year. Guess where the high school youth of Canyon rank? In the 43 percentile, the lower half of high school P.E. classes in the United States. That's not too good for the 81 boys tested at CHS.

With basketball season nearly upon us, fans of the hardwood sport will have more than enough games in Canyon to occupy their time. Think about two college teams, three high school squads and two junior highs plus the high school girl's team.

Duck hunters begin their seige upon the lakes of the Panhandle Saturday and with all the ducks in the area, they should bring home their limit. On the opening day duck hunters must wait until noon before killing any of these birds, but after that until Dec. 17 it will be sunrise to sunset.

Goose hunting began Nov. 3, but at the present time the geese haven't arrived in this part of the country. The season remains open until Jan. 1, so by then the Panhandle will be invaded by these large birds.

By the way, black-bellied tree ducks, red heads and canvass backs are off-limits to duck hunters this year.

Fans who want to take their children along to the WT-Texas Tech game can obtain cheaper seats for the youngsters in the south end zone for only one buck. By the way, adult tickets for $4 are on sale at the athletic directors office.

Frank Kimbrough reported that if 6,000 season tickets are sold for next year, Buff supporters will be able to see five games for the price of four. Touchdown members just started last week to sell next season's tickets for the Buffaloes and will be trying for that magic mark of 6,000 paid in advance.

This guarantee of 6,000 season tickets would also give the Buffs more power in selecting future teams of major standing to compete with West Texas.

College football has become a money-making sport. It almost has to in order to pay for other sports, which lose money. Basketball in a lot of schools break even or make money, but in the past at WT this sport has lost money. You can see why West Texas needs the season ticket.

Ollie Ross and Bill Lorance, Buff fullbacks, are battling each other for the average yards per carry. Ross has a 5.2 yards per tote, while Lorance is close behind with an average of 5.1. Ross has carried the ball 46 times for 238 yards. Lorance, on the other hand, has carried the ball 80 times for 408 yards. The difference between the two players is that Lorance is a power driver up the middle for short necessary yards, while Ross is a swift runner after he gets a few yards, then breaks away for longer gains.

Pedro has carried the ball 100 times, making 796 yards for an average of 7.9. Every fifth time Pete touches the ball he scores. That's why other teams keep an eye on this speedy back. Up to now, has has 120 points in the statistics.

Charlie Williams, end, hardly ever gets more than one line in the write-ups. But he has scored 29 points, all of them on extra points boots. He has missed two kicks this season, for an average of .936. Not bad in anybody's league.

Buffs Edge Tigers

West Texas had to fight for dear old life against the stubborn Trinity Tigers, and barely escape with a 29-28 victory.

West Texas had to come from behind twice and then rally two more times to starve off the Tigers offense, which gained momentum throughout the game.

Trinity started the scoring the first time they laid their hands on the pigskin, and it took them only 11 plays to reach paydirt.

The Tigers scored on a 14-yard pass play from McCarty to Shirley. Only 9:05 had been played when the hometown team scored. The try for the extra point was good with Bulter kicking the PAT and Trinity lead 7-0.

West Texas got mad and came back to tie the score with 12 plays from scrimmage. David McInturff took the kickoff standing in his own end zone and then swiftly ran back to the 46 before being stopped. Bill Lorance carried the ball four times, Jerry Logan twice, McInturff once and Pete Pedro three times, the last one being a six yarder on the tally. Charlie Williams kicked the important extra point.

For the remaining part of the first quarter and all through the second stanza West Texas played with the ball awhile before Trinity would try to move it. Both teams started drives, but a stiff defense or a fumbled ball would stop the move.

Ollie Ross started the second half with a boot that went into the end zone. Trinity took the ball on the 20 and moved 80 yards in 14 plays to go ahead once again in this tight battle. The score came on a one inch run by McCarty. Bulter kicked the extra point and the clock read 8:59 left in the third quarter.

McInturff who started WT's first scoring drive with a kick-off return did the trick once again with a 62-yard return to place the pigskin on Trinity's 33. Pedro took the ball around left end and scored on the first play from scrimmage after the kickoff. The score was TU 14, WT 13. What would the quarterback call? It was a run for the extra points and Logan crossed the double stripe for the two points and West Texas lead for the first time 15-14.

This gave new life to the Buffaloes and they held the Tigers and forced them to kick from their ten. Logan took the punt on the 45 and ran it back to the 16. Lorance carried to the ten, Logan went to the four, Pedro was knocked out on the two and then the speedy little halfback went over for his third score. Williams again was true with his kick and WT lead 22-14.

The two scores in a row for West Texas infuriated the Tigers and they tallied four plays after the kickoff. McCarty passed 10 yards to Shirley for the score. The Tigers attempted a fake kick for the extra points and it failed.

The score was narrowed to 22-20 and West Texas knew it would take another tally to win, so they rolled up their jersey sleeves and began to work on the task.

McInturff took the kickoff on the three and ran it back to the 30. Lorance, Pedro, Dawson carried the ball during this drive, but fullback Ross took it over for the TD from the 19. The kick for the extra point by Williams was good. The kicking toe of Williams was the deciding factor for the one point win by WT.

The fourth quarter began and Trinity was behind nine points. It would take two touchdowns or one TD and a field goal for the Tigers to win. West Texas tightened their defense and it was late in the fourth before the Tigers scored.

Hoot Gibson punted, but Con-

COACH BOBBY BYRD shows three elementary boys how to hold a basketball and the correct method for shooting. The youngsters are Randall Hicks, Kent Flynn and Kevin Sims.

Elementary School Boys Get Physical Education

One of the more recent programs added to the curriculum of Canyon Schools is physical education periods for elementary boys.

The objectives of elementary physical education are many, ranging from teaching to developing individual skills. The skills include running, jumping, catching, throwing and kicking a ball and the physical development of each boy. Rules and sportsmanship are also heavily stressed.

Once each semester a physical fitness test is given to the elementary boys, which include sit-ups, pull-ups, shuttle race, standing broad jump, 50-yard dash, softball throw and the 600-yard run-walk. The results of these tests show how each boy ranks on a national average and indicates areas of weakness and strength in the group.

Every class in the second, third and fourth grades have 30 minutes of physical educaion each school day. During a week, a class will vary its activities from team games to individual skill programs. When weather premits, one day a week is devoted to creative activity at the park where students may play on swings, slides, monkey bars and other playground equipment available, or they may play a team sport.

Starting with the second semester, the boys in the first grade will be scheduled for physical education and by the time summer vacations arrive, every boy will have had the benefit of supervised instruction to better playing habits.

Prior to the introduction of this physical educaion program, a recess period supervised by the homeroom teacher consisted of any physical development program.

The decision of the school administrators to introduce this program into the school's curriculum fits in with President Kennedy's physical fitness program and is developing the younger students physically.

Directing the P.E. program in the elementary school is Bobby Byrd, who also serves as a high school coach.

Buffs Edge

(Continued From Page 3)

nell ran the ball back to the seven before being nailed from behind. Mobbs made one around right end, but then McCarty began to pass. On the last down, still needing six yards to score, the Tiger quarterback passed to Mobbs for the score. McCarty then elected to run over the extra points and Trinity cut the lead to one point.

Bulter attempted an on-side kick but it didn't roll the necessary ten yards, stopping one yard short. WT then took the ball and played control. The clock ticked off with WT on Trinity's 27.

Director Commends Local P.O.

Postmaster Marion Higdon said today he had received a letter from William H. Neal, National Director of the U.S. Savings Bond Program, commending the local post office for the promotion and sale of Savings Stamps during the past year.

Postmaster Higdon reminded the public that Savings Stamps are on sale at the post office at all times, as well as in the schools on Stamp Day. Adults can buy them, too, he added --"an easy way to buy Savings Bonds on the installment plan."

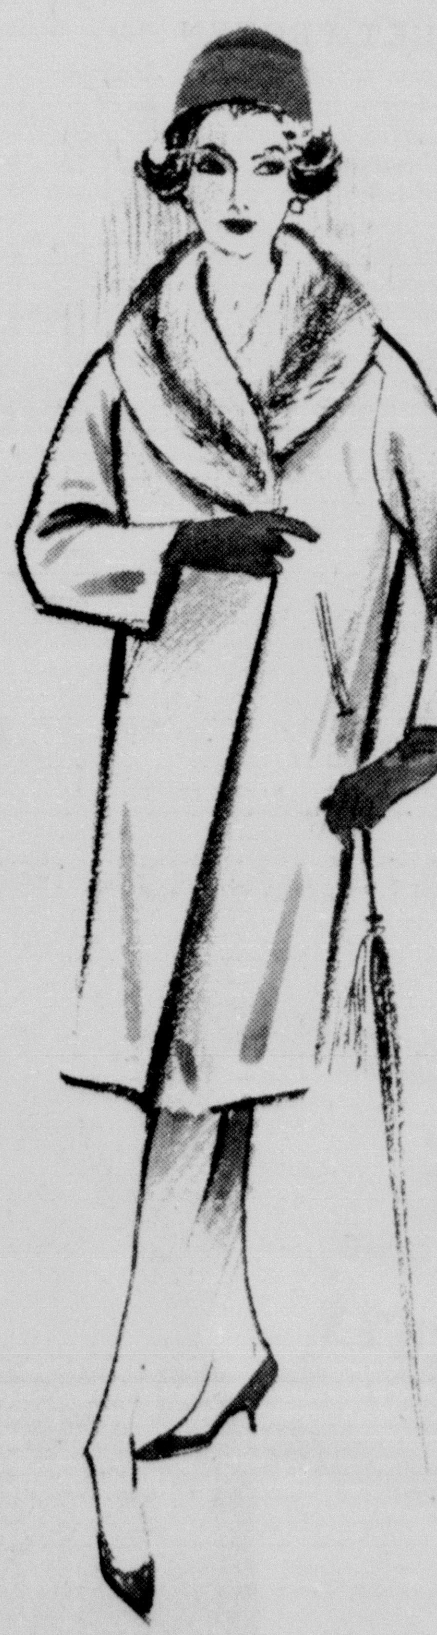
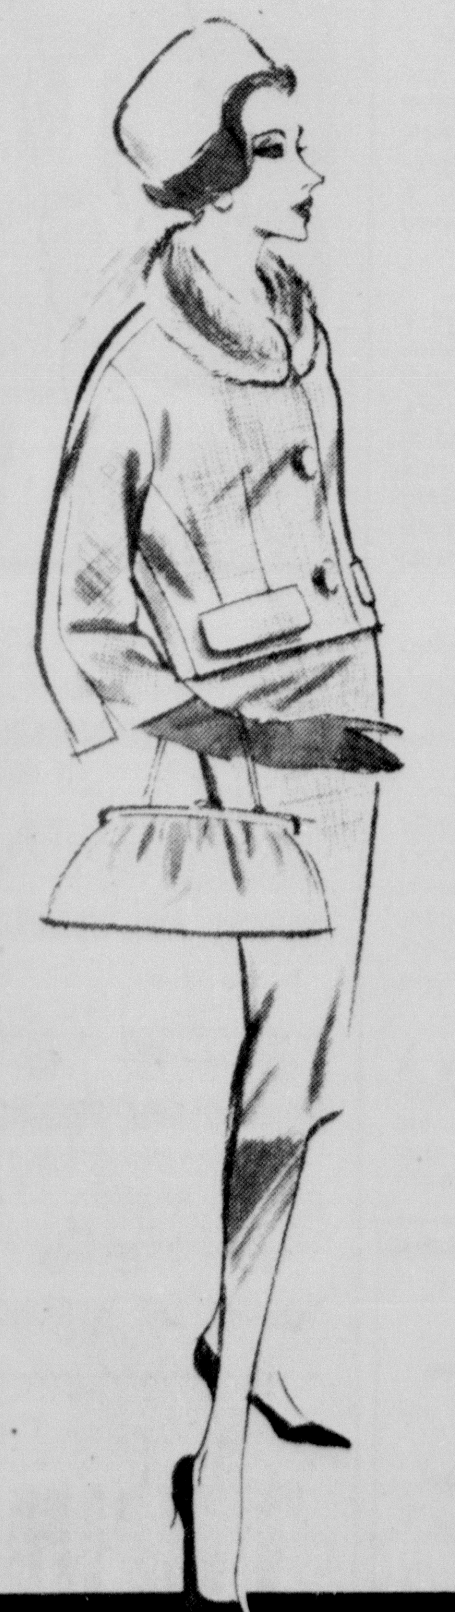
EXCITING FASHIONS THAT HERALD THE HOLIDAY

Fur-Trim BY- *Youthcraft*

The Touch of Mink for Fall...

Fashion looks ahead to a busy season filled with festivities, and decrees a new lift for your wardrobe. Here are two outfits to take you smartly through a crowded calendar.





Foremost Fall Fashion: the suit with the exotic fur collar. Mink adds precious distinction to Youthcraft's classic, easy-line suit of beautiful shaping. Cropped jacket and brief length sleeve are not only chic but wonderfully easy to wear. Top it off with the fabulous accent of Mink and it's easy to see that this is the "must have" suit you can't be in fashion without! Anywhere in the world, any time of the day or evening, you're a vision of loveliness in Jerdona, 85% wool, 15% fur fibre. Sizes 5-15.
FUR COLLAR: CERULEAN MINK ON RIVIERA BLUE OR BERRY, RANCH MINK ON BISQUE BEIGE, AUTUMN HAZE MINK ON GINGER-TONE.

Timeless interpretation of the classic, wonderfully swept with the winsome beauty of Mink collar. Flawless hand details distinguish the 100% wool Velomist, beginning with Mink collar, continuing through the intricate sunburst back and gracefully-shaped brush-up sleeves. A coat that is truly the acme of elegance . . . suave, simple, an understatement of fashion highlighted with fine fur accent. Sizes 5-17, 6-18.
FUR COLLAR: RANCH MINK ON CRYSTAL BEIGE, FIESTA FAWN OR CASINO BLACK.

DOUBLE GUNN BROS STAMPS TUESDAY AT BELLAH'S

Canyon FFA Team To Vie At Plainview

Three Canyon Future Farmers will represent the Amarillo District at the Area I Leadership Contest at Plainview High School Saturday.

Glen Ray Metcalf, Albert Keller and Elo Myers won first place in the district contest last week in the senior farm skill demonstration.

First place winners in the area contest will represent their schools in the state contest.

The contest is designed for teaching and demonstrating farm skills.

Vets Entertain With Breakfast

More than 100 persons attended the veterans breakfast last Saturday at Legion Hall as Palo Duro Post No. 97 treated veterans and their families.

Wes Kleinschmidt, post commadner, said it was the forty-first such breakfast sponsored by the post.

The veterans and their familids ate scrambled eggs, bacon and toast prepared by members of the post who arose at 5 o'clock in the morning to make preparations.

Entertainment was furnished by the LaGrone Quartet made up of Bill Davis, Bill Knighton, Dr. Dudley Moore and Bob Alford.

The group then sang such nostalgic ditties from World War I as "Tipperary," "Over There," and "Long, Long Trail."

Ray Campbell, a post officer, said the Legion had held 40 such breakfasts in the existing hall which was constructed at a cost of $15,000 in 1921.

The American Legion here, one of the first posts in the state, served as a veterans club in the early days.

"We met at the old Midway," Campbell reminisced. "It was about where 2106 Fourth Avenue is now. Five or six boys lived there. We had a housekeeper and cook and we'd all go down there and eat dinner Sundays."

He said the post had about 100 members in those days.

Campbell said the local post has about 27 members who have been Legionnaires 40 years or more. The Canyon post was organized in 1919.

He said the Legion Hall here was the first such hall constructed south of Kansas City.

The Canyon post had one of the first Forty & Eight organizations in this part of the country. The Forty & Eight is an honorary Legion organization and calls to minds of World War I veterans the forty men and eight mules that could ride in a French boxcar on the way to the front lines.

BLUE-CHIP INVESTMENT

A Gas clothes dryer is more than a purchase.

It's an investment that pays real dividends. Clothes last longer because nothing is gentler to even the most delicate fabrics. Gas drying is safer—authoritative statistics say so. And when you can save up to $25 a year on utility costs, isn't this an investment in smart housekeeping? See your Gas Appliance Dealer now, during his Fall Sale of Dryers.

PIONEER NATURAL GAS COMPANY

Peace Corps Tests Dates Announced

Postmaster Marion Higdon announced today that the entrance test for the Peace Corps will be given on Tuesday and Wednesday, November 28 and 29, 1961.

Within a few days information showing the place and time for the examination in your area will be posted on the bulletin board of the local post office, including stations and branches.

If you are interested in taking the test, be sure and watch for complete information at your post office.

Postmaster Higdon added that he would inform the press when the information has been received.

Teen Topics

Canyon's 48-8 victory over the Friona Chiefs Friday night at Friona was not only the last game of the 1961-62 season but was also the conclusion of school spirit week at the high school.

All during the week, Canyon Eagles (all students) displayed their school spirit. Short speeches were given each morning over the PA, and beginning with Wednesday a slogan was announced each day to the students.

Each twenty-fifth person saying this slogan to a "mystery person" received a complimentary ticket to the Friona game. Those receiving tickets were Jean Haffner, Beckey Dacus, Lee Cogswell, Andrea Lair, Bonnie Joe Whittington, Ineke Templeman, Lee Ann Kelley, and Kaydean Barnard. Others were Doris Ruth Smith, Sue Huyck, Red Parker, Marion Henson, and Judi Roberts. The "mystery persons" included Truitt O'Donald, Jim Whinnery, George Cox, Lee Ruth Wiggins, Barbara Erwin, and Kathy Hinger.

Friday's school day was climaxed with a 30 minute pep rally. The rally was highlighted with the presentation of complimentary tickets and the crowning of Mr. and Miss Purple and White. Crowned were Kay Jarnagin and Ronnie Harris, both seniors.

Friday was also color day, and students were keeping in style by wearing purple and white.

Yells in the halls and during the pep rally showed the student's enthuriasm.

The Saturday night all-school social in the Commons Area marked the last day of school spirit week in CHS.

"School spirit is like magic" was the theme of the social. The Commons Area was beautifully decorated by the juniors, who carried out the theme by having the "Genie" and his lantern mounted on the wall. Purple and white streamers were draped from the wall.

The sophomores were in charge of refreshments and served cookies and "cokes". Freshmen were in charge of clean-up.

The social was sponsored by the Student-Faculty Congress.

In the recent junior magazine sales, Elo Myers was recognized as being the high salesman. For selling $240.50 worth of magazines he received a battery powered transistor tape recorder.

Second high salesman was Marva McBroom who sold $158. worth of magazines. She received an Emerson clock radio.

Next week during a Junior Class meeting, other awards will be presented.

High School Calendar, November 17-23, as taken from the principal's calendar.

Friday, November 17 -- Sophomore Class social.

Saturday, November 18-- Area I FFA Leadership Contest in Plainview at 9 a.m. Senior Class party in the cafeteria and commons.

Monday, November 20--FTA meeting in the cafeteria at 7 p.m.

Tuesday, November 21 -- FFA meeting in the agriculture building at 7:30 p.m. Selection of ring design by 7, 8, 9, 10 and all grades. Foreign Language Club meeting.

Thursday, November 23 -- Begin Thanksgiving Holidays.

and Nancy Purcell

Ibsen Drama To Be Staged Here By Cleveland Group

The nationally known Cleveland Playhouse will present one of Henrick Ibsen's most notable productions here in the Branding Iron Theatre at West Texas State College in a one-night stand, Dec. 2.

The drama "Hedda Gabler," will be presented at 8:15 p.m., according to William A. Moore, BIT director. Prices and box office hours have not been determined, he said.

"We are very fortunate to have this touring group appear on our stage," Moore said. "The Cleveland Playhouse long has been recognized as one of the top dramatics organization in the country."

The appearance here is sponsored by the WT department of speech, and a Ford Foundation grant has made it possible to the Playhouse to make a national tour of college and university campuses.

A.W. Lair Is School Speaker

A.W. Lair spoke to the students of Canyon High School Wednesday morning at 10:15.

Lair, president of the Rotary club, speech is titled, "Four Way Test."

Mrs. Foster Is Cast In Little Theatre Play

Mrs. Cal Foster of Canyon is a member of the cast of Noel Coward's "Private Lives," a comedy being presented by Amarillo Little Theatre Nov. 15 through 18.

Mrs. Foster will play the part of the French maid in the production.

General admission to the play is $1.75 for adults and $1.00 for students. Curtain time each evening is 8:15.

CANYON BUSINESS REVIEW and BUYER'S GUIDE

Bob Pierce, at the R. O. Watchous Home, 2610 13th Avenue.

This week the Canyon News visits Bob Pierce, owner of Bob's Appliance Repair. This new firm is about 1 month old now and is located in the same building as Canyon Glass & Trim, 604 23rd Street.

Bob Pierce has been a resident of Canyon about 5 years now and resides with his wife, Louise, at 204 18th Street. Pierce, in addition to his shop, is a student at West Texas State College, where he studies Political Science.

He says he has been in this business 6 years, now and has been tinkering with electronics all his life. Since moving to Canyon he has been associated with two of Canyon's leading Appliance Centers.

Bob is well qualified for his work, has a diploma from the International Institute of Technology and has attended service schools on nearly all the major appliance companies.

He is well versed on repairing all makes of stoves, washers, dryers, and small electric appliances such as mixers, toasters, irons and etc.

"Everything I do is guaranteed!" Bob says, going on to explain that he "bases his reputation on a long list of satisfied customers!" Bob Pierce can get most any type of part for your appliances in one day, no matter how intricate or how odd! "Probably the fact that sets myself apart from some of the other appliance repairmen," Pierce states, "is that I make my living from service work and not from selling new appliances!" Therefore, I like to do work on any brand you might have and not just servicing what I sell!" Also he reminds us that just because there isn't a local dealer for your brand here, don't go on to Amarillo for service! Bob's slogan is "If you'll break'em, I'll fix'em."

You know what?. . . .I believe he can!

PONTIAC'S TEMPEST

BITING TRACTION!

The new Tempest claws up hills. Perfect balance gives it biting traction. Puts equal weight on all four wheels. The gas-saving, 4-cylinder engine turns out 110, 115, 120 or 140 horsepower. Extra cost: a 166 h.p., 4-barrel carburetor "four" and a 190 h.p. V-8. **Climb a hill in America's only front engine/rear transmission car—it's balanced like none of the others.**

CLIMBING FAST AT $2214.03

Manufacturer's Suggested Retail Price for this Tempest Coupe (including whitewall tires, reimbursement for Federal Excise Tax and suggested dealer delivery and handling charge). Heater standard. Other accessories and optional equipment, transportation charges, state and local taxes extra.
